Design Ideas for Drones,

Multicopters and Quadcopters Roland Büchi, 2022-01-25 All in all quadcopters would be much better accepted among model makers if they were a little more colorful Many pilots say however that all the work building a depron body would be destroyed in a rollover However anyone who flies quadcopters today notices that the technology has advanced so far and so safely that semi scale models can be built without problems in this regard The only problem that arises is that there are not as many flying originals This booklet provides design ideas for quadcopters drones and multicopters in general
