

1968 Starcraft Starmaster 6

New wardrobe takes trips lying down.

Starcraft camping trailers are outselling many old-time camper makers after just four years. Reason: better value. The Starmaster 6, for instance, has a specially designed wardrobe that lies down when you travel. No need to unpack or repack.

Professionally decorated interiors

are richly paneled. Instead of exposed metal construction. Washable, cushioned vinyl floor covering goes from wall to wall for easy cleaning.

Sidewalls are four layered, not plain metal. Strong. Insulated. Quiet.

The telescoping lifter system

is so good, it's patented. A youngster can put up the roof in less than a minute.

You could go on and on . . . and we hope you will—in a Starcraft.
