Finding God's Vision for Your Life Susan Sykes, 2021-11-07. Set goals, define your vision, and start living your dreams. It sounds like an easy formula, but you probably already know it's not easy. But when you accept Jesus Christ as your Lord and Savior, you'll be on the path toward victory. Jesus will help you craft a vision and help it come to life, including working with your family to launch a business. By sharing her life story and looking to the Bible for guidance, the author helps you talk to family members to work on business ideas, re-evaluate life goals in the midst of the coronavirus pandemic, change your mindset, get a new attitude, dream big, and stay focused, win hearts, and enhance your leadership skills. The author also emphasizes the importance of surrounding yourself with the right people, high achievers that you can learn from and try to emulate. After all, the people you spend the most time with play a big role in stopping you or propelling you forward. Look at the world around you, decide what you want to change, and make it happen with *Finding God's Vision for Your Life*.

The Salt Factor Sino Agueze, 2010. The rise and fall of nations has been documented throughout history and is directly related to the values they possess. *The Salt Factor* brings a fresh perspective on the original mission and purpose of the church and her mandate to transform culture. No nation can be sustained without a value system, and there is no value system apart from Christ that is not faulty and subject to decay. This book expresses the mind of God for the 21st-century church and causes the reader to revisit the mandate of the Great Commission, which is given to all Christians. Every nation is built upon seven structures, and each of these structures must be built on the principles and values of the kingdom of Christ. Comparing the modern church to salt as Jesus did in Scripture, this book examines its characteristics and presents a clear picture of the transformation the church should bring to the world. *The Salt Factor* will help you discover your place in society and demonstrate how to be an agent of change in the world around you.
