Dark Sides of the Startup Nation Sibylle

Heilbrunn,2022-11-29 Israeli national neoliberalism has promoted innovation policies leading to an ostensible paradox At the center is a startup nation with a vibrant and successful high tech entrepreneurial ecosystem accumulating resources and enabling constant growth At the geographical and social periphery there has emerged a parallel society with often marginalized groups not able to keep up In one of the most unequal countries with a high rate of poverty entrepreneurial heroes are celebrated at the center promoting a myth that all could be self made successes At the periphery entrepreneurs are struggling to survive often pushed into precarious working and living conditions Applying critical theory discourse this book illustrates how neoliberalism and entrepreneurship are intertwined and how the startup nation has evolved in Israel It explores how national neoliberal state policies have targeted technological innovation as a tool to obtain a competitive advantage in the international arena rather than aiming at increasing economic achievements and well being for all It will demonstrate that the Israeli entrepreneurship scene exemplifies the existence of parallel entrepreneurial societal spaces analyze the positionality of entrepreneurs belonging to a variety of groups that characterize Israeli society and uncover structural disadvantages and related levels of precarity as well as existing links between entrepreneurial advantages and disadvantages mobility and varying degrees of social marginality **Dark Sides of the Startup Nation** sheds light onto the problematic and sometimes contradictory myth that entrepreneurship is meritocratic and that neoliberal capitalism provides everyone with equal opportunities to succeed The book will be of interest to researchers academics policy makers and students in the fields of entrepreneurship and small business management responsibility and business ethics and technology and innovation **StartUP SOAR Coaching** Ray Garcia,2015-05-01 Start up now get inspired to create a high impact international business make a difference by putting ideas into action and produce a return on investment with your talents Entrepreneurs gain satisfaction by using their talents to produce new wealth for both society and themselves In a modern world employment choices typically fit established institutional norms A good job in a government bureaucracy or a large corporation with its abundance of restrictive policies may not provide much work satisfaction despite the employment benefits and stability If you have ever thought dreamed imagined or fantasized about starting a business or being part of a company doing creative work with a purpose then you have started to connect with your entrepreneurial spirit This book is for anyone who wants to better understand the entrepreneurial approach It originated from the first entrepreneurship course

I taught at the University of Pisa from 2011 through 2014 and is based on over 15 years of experience as an entrepreneur of venture backed technology companies The course was designed for PhD researchers and MBA students looking to expand their work opportunities beyond their traditional prescribed paths into institutions and corporations This material is not only for academic researchers it assumes that entrepreneurship is latent in all people Traditionally we are taught not to aim for self employment through entrepreneurship during the years of primary education Anyone with an advanced education self motivation ambition a vision for how to improve the world a good attitude and a willingness to take on the challenge of actively exploring entrepreneurial pursuits should be able to follow the material and put it to use in their own efforts If you currently own or are working in a company and want to innovate and expand the business this book might be of value in inspiring you to grow a high impact international business by leveraging the business you are already doing Read it to prepare for the journey and put the concepts into action do not be a passive reader Start up now get inspired to create a high impact international business make a difference by putting ideas into action and produce a return on investment using your talents
