become Postapocalyptic Fiction and the Social Contract Claire P. Curtis,2010-07-17 Postapocalyptic Fiction and the Social Contract We ll Not Go Home Again provides a framework for our fascination with the apocalyptic events The popular appeal of the end of the world genre is clear in movies novels and television shows Even our political debates over global warming nuclear threats and pandemic disease reflect a concern about the possibility of such events This popular fascination is really a fascination with survival how can we come out alive And what would we do next The end of the world is not about species death but about beginning again This book uses postapocalyptic fiction as a terrain for thinking about the state of nature the hypothetical fiction that is the driving force behind the social contract The first half of the book examines novels that tell the story of the move from the state of nature to civil society through a Hobbesian a Lockean or a Rousseauian lens including Lucifer s Hammer by Larry Niven and Jerry Pournelle Alas Babylon by Pat Frank Malevil by Robert Merle and Into the Forest by Jean Hegland The latter half of the book examines Octavia Butler s postapocalyptic Parable series in which a new kind of social contract emerges one built on the fact of human dependence and vulnerability Soycraft - Winter 1980 Richard Leviton, *Many Shades of Winter* John Kautza,2013-01-14 When Kent a Gay Man and Crystal a Lesbian meet with each a disheartening story of their own they soon bond together and become Best Buddies Crystal had just ended a relationship with her Lover for many a reason And Kent had recently found himself unemployed with some trepidation on what to do next Crystal seeks console along with Kent s support Respectively Kent and Crystal find that meeting new Lovers of their own persuasion brings them some hope in dealing with certain losses as they arose While Kent is forging forward in dismissing the great sorrow Crystal falls into some circumstances that can be detrimental in her new Love situation All in all the two Buddies have remarkably good times and find peace in the positions their Lives turn into Ghosts of the past haunt while Reborn Newness enriches with the Love that buds for The Homosexual and Lesbian Couples Dramatic occurrences are shed away with the blend of positive colorful shades that prevail in the winter emotional impact Best Buddies and their Lovers find Sunshine in the chills of experiences Any ways it can be interpreted are up to the reader in this no other way easy reading book Remember also that it is a book of fiction and that all references of time place and other points of description are just that The characters and the storyline are to be read with no judgement outside of other personal beliefs Many Shades of Winter leads to a brilliant cast of the color of warm times If YOU as a reader like personally impactful romance as a diversion to the signs of calamity that arise or have been previously present this is a feel good story for the main characters straight from the heart happy in the society that they are part of **American Films of the 70s** Peter Lev,2010-01-01 While the anti establishment rebels of 1969 s Easy Rider were morphing into the nostalgic yuppies of 1983 s The Big Chill Seventies movies brought us everything from killer sharks blaxploitation and disco musicals to a loving look at General George S Patton Indeed as Peter Lev persuasively argues in this book the films of the 1970s constitute a kind of conversation about what American society is and should be open diverse and egalitarian or stubbornly resistant to change Examining forty

films thematically Lev explores the conflicting visions presented in films with the following kinds of subject matter Hippies Easy Rider Alice s Restaurant Cops The French Connection Dirty Harry Disasters and conspiracies Jaws Chinatown End of the Sixties Nashville The Big Chill Art Sex and Hollywood Last Tango in Paris Teens American Graffiti Animal House War Patton Apocalypse Now African Americans Shaft Superfly Feminisms An Unmarried Woman The China Syndrome Future visions Star Wars Blade Runner As accessible to ordinary moviegoers as to film scholars Lev s book is an essential companion to these familiar well loved movies

The Winter of Summers Nancy Salama,2010-05 Having just lost her fiance Anne reflects on her life while her younger sister visits Recalling the deep pain of

her lost love she wonders what happens next Eventually Anne finds a different sort of love with a man from her past who tells her that he has been in love with her for years Anne learns from this new relationship that she is not who she thought she was and decides to leave everything behind to find herself before she can commit to another The Winter of Summers is a beautifully written novel about a lost love that haunts a woman who tries to find a future without him setting herself on the path to self discovery The story points out that despite having a plan for your life things can go drastically differently Instead of relying on others you must focus on yourself to define who you are and what you want out of life The Seeds of Winter A.W. Cross,2017-06-30 Would you become a cyborg just to survive I did and it ended the world In 2040 three factions went to war over the creation of artefacts sentient androids indistinguishable from human beings Five years later Ailith wakes to find the Artefact War over and the modern world destroyed Her only connection to the life she once knew is Tor a stranger who protected her as she slept A cyborg Like her They believed they were the only ones they were wrong Others of their kind are alive and facing execution Their deaths must be prevented at all costs for if they die humankind will become extinct But as Ailith and Tor face off against old enemies and a self proclaimed god they begin to doubt the true nature of their design They can trust no one not even each other despite the passion that binds them together Humanity fought a war to annihilate us Now their future depends on our survival We are the seed The Seeds of Winter is the first book in the Artefact War saga If you like dystopian science fiction with cyborgs heroines and a dash of meta you ll love this series *Hear Us Out* Richard Canning,2003 Mikhail Gorbachev and Zdenek Mlynar were friends for half a century since they first crossed paths as students in 1950 Although one was a Russian and the other a Czech they were both ardent supporters of communism and socialism One took part in laying the groundwork for and carrying out the Prague spring the other opened a new political era in Soviet world politics In 1993 they decided that their conversations might be of interest to others and so they began to tape record them This book is the product of that thinking out loud process It is an absorbing record of two friends trying to explain to one another their views on the problems and events that determined their destinies From reminiscences of their starry eyed university days to reflections on the use of force to save socialism to contemplation of the end of the cold war here is a far more candid picture of Gorbachev than we have ever seen before
