

## **QUARTERLY REPORT:**

The Employer's Quarterly Contribution and Wage Report (NUCS-4072), must be filed each quarter by every employer who is subject to Nevada Unemployment Compensation Law. After an employer becomes liable, reports must be filed quarterly until the account has been closed. ~~(Note:~~ It is the responsibility of the employer to notify the department, as soon as possible, if the business ceases operations.)

*Nevada encourages employers to submit wage lists on magnetic reel, cartridge, or diskette. Magnetic media is for wage information only and does not replace the quarterly report form. To obtain magnetic media specifications, please call (775) 687-4487.*

## **CONTINUATION SHEET:**

The Employer's Quarterly List of Wages Paid - Continuation Sheet (NUCS-4073) is used to report additional wage items. To obtain the form, call (775) 687-4540. *Please be sure to have your Nevada State Unemployment Insurance Account Number available when you call.*

If you prefer to produce your own paper wage lists, the following requirements apply:

1. The paper size should not exceed 8-1/2" x 11"; any perforated strips on the sides should not be included.
2. The paper should be no less than 16 pound weight.
3. The column dimensions should be large enough to adequately contain eight digit figures.
4. Items of information required for each employee are Social Security Number, name, total tips, and gross wages (total of wages and tips) for the quarter.
5. Heading information should include the employer account number, employer name, date quarter ended, and page number. Column headings are not required, but should be included if the wage detail includes more than the four columns listed in item number 4.
6. Each page should be totaled and a grand total is necessary for all pages. (The grand total should equal the amount reported on line #3 of the quarterly report form.)
7. All Nevada contributions forms are microfilmed, so clarity and contrast are essential.
