The County of San Diego has set the bars high with its methodical approach in analysing financial situation applicants and providing them with the best financial support. It would be a great learning experience for me to be a part of your organization.

Currently, I work at [YYY Organization], where I evaluate the applicants' livelihood and recommend a list of government aid services, they can avail to uplift their financial condition. My typical day to day duties include the following:

- Interact with the clients and get the required information.
- Cross-check the details provided by the clients for authenticity.
- Create a profile for the client in our database.
- Check for state government, central government, and private company-oriented policies that meet the requirements.
- Follow-up with the clients and recommend the policies they can avail to meet their financial demands.

I have a strong ability to empathize with people and I am willing to go to great lengths to get them the required help. I am also adept at fact-checking the details to prevent those who try to take advantage of the system. I would be glad to join your organization to serve people who deserve help.

Thank you for the time and consideration.
