American Business Regulation William Lesser, 2015-03-26 While there are lengthy texts discussing the economics of why and how governments regulate business and apply antitrust, this book is unique in providing the details of current business regulation in many industries through lengthy examples. The author develops with the use of cases including Harvard Business School cases. Students are then guided to devise business strategies of introducing new products within the scope of regulation known or unknown. While the economic theories of regulation are covered, the focus of this text is a hands-on coping with regulation and using regulation as a business strategy to deal with competitors. Online instructor's materials are also available for adopters.

Designing Better UX Smashing Magazine, Anastasios Karafillis, 2013 Even the most thought out and best planned user experience can get lost when attention to certain details falls short. To raise awareness for those little things that add up to an ideal user experience, we have put together **Designing Better UX**. The practical approaches for designing better UX cover mobile apps, adaptive systems and multi-screen experiences. The eBook is packed with in-depth tips and tricks shared by experts from the industry. They consider the importance of straightforward yet personal microcopy, explore the strengths and weaknesses of infinite scrolling and take a look at how well-crafted feedback loops can influence a user's behavior. Once we decide to create a well-balanced experience, all of the covered aspects in this eBook have to be thoroughly considered, i.e. when is the user experience fostered and when is it curbed. If you've been looking for a valuable resource for your daily UX routine, you can now stop searching.
