responsibility and provided with an independent income Devon Ashford floats through life thinking only of where the next party might be When a note orders Devon to present himself at Templeton Crawford Associates at noon on Wednesday he is curious enough and bored enough to follow the order He doesn't know what to expect when he arrives but it is not to be told that on the stroke of twelve he will belong to the stern man on the other side of the desk for exactly one hour He doesn't expect anyone to command him to strip for an inspection Nor does he expect to follow the orders of a stranger He certainly doesn't imagine he could like doing that enough to go back for more Whatever he expects Devon is about to discover that what happens at the stroke of twelve could change the course of his life forever Before He Cheats Rupert's society friends can call it an open relationship if they want Leon still calls it cheating and he is going to make sure it never happens again Leon knows he and Rupert come from completely different worlds but it never occurred to him that Rupert would consider their relationship to be open unless otherwise stated He might not have the money the experience or the social standing of Rupert's usual lovers but Leon is still determined to fight for what he wants And what he wants is to make sure he is exclusive with Rupert before his lover's old friend comes to visit next weekend Can he convince a man like Rupert to give up everyone else in favour of one inexperienced graduate student Can he convince Rupert to make a commitment to him before he cheats Leon doesn't know but he is sure as hell is going to try While Under the Influence A natural follower meets a natural leader The only question now is who will have the biggest influence over the other Elijah is a natural follower but he is never thought too much about the way he lets his cousin talk him into all kinds of crazy schemes What he has thought about a lot is the fact that he is pretty sure he is not entirely straight When a drunken game of truth and dare sees Elijah's cousin Louisa find out he might be gay her influence leads him straight into his favourite sexual fantasy Aaron has always believed that he is a much harder man to manipulate but that doesn't mean he is never been hurt or that past pain doesn't influence his actions in the present Aaron might be dominant to the core but that doesn't mean it is all easy for him As meddling family members former submissives and large amounts of alcohol all come to bear on them Elijah and Aaron are about to find out just what sort of influence they are destined to have on each other *Land Of The Dead* Brick Marlin, 2013-06-01 A Tracker for the dead named Gatchett steps into the Graveyard where all souls arrive after their untimely deaths In this case a ghost sends Gatchett to avenge not only her own murder but her child's as well The problem is the fact that the murderer is Eero Gatchett's vampire brother In this adventure our hero must locate his brother sifting through a mist of terror Called J.A. Pack her so called family treated her as little more than a punching bag for their cruelty Their hatred for her seemed endless their actions ruthless Why did they despise her Because they could But there was more to their disdain A hidden reason that made their treatment of her even worse Jaielle was different She was blind To them it was a curse a stain on the pride of their pack Even her father the alpha looked at her with nothing but shame and disgust Her blindness wasn t the only thing that set her apart Jaielle was a beauty Ethereal and striking in ways that made her stand out even more To the pack she was a contradiction a creature to resent and ridicule The whispers about her carried another sting She had no mate In a world where mates were sacred and fated bonds Jaielle s lack of one made her an outlier It gave the pack another reason to torment her another excuse to push her into despair To them she was broken alone and without escape But they were wrong What they couldn t see blinded by their own cruelty was the strength she carried within Jaielle had endured their torment for years but she was far from defeated Beneath her quiet exterior was a fire that could not be extinguished Everything changed when a stranger appeared He wasn t like anyone Jaielle had known He saw her not as a burden but as something extraordinary His presence turned her world upside down and shattered the chains that had bound her for so long Jaielle was no longer just the blind girl they had scorned She was so much more What they believed was her weakness was the very thing that made her stronger than any of them could imagine Her blindness did not define her It set her free The pack that spent years trying to break her would soon realize just how wrong they had been *Blame It On Midnight* Lori
