left hollowed out malls across the country In a juicy business narrative rich with humor and insight Bullock combines the colorful characters of The Devil Wears Prada the business insight of Deluxe and the nostalgia factor of True Prep to chart J Crew s origin story its Obama era heyday and its brush with death decline through the stories of the mercurial characters who helmed the company There is founder Arthur Cinader who set out to sell the Ralph Lauren look for half the price and his daughter Emily who turned J Crew into a new campus uniform and then a temple to 90s minimalism Then came ex Gap CEO Mickey Drexler the most renowned and controversial retailer of his generation who took J Crew to a never before seen peak only to contribute to its financial disaster and the brilliant designer Jenna Lyons who rose from the anonymous ranks of a catalogue company to become a star in her own right but burned so bright she left J Crew in her shadow Through extensive interviews with more than 100 J Crew insiders and top industry experts Bullock crafts an impossible to put down neon glitter sprinkled tale that traces the trajectory of American style invites us into the inner sanctum of fashion s most bold faced names and weaves together the threads of style finance and culture like no other brand s story in our lifetime ThirdWay ,1986-11 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture **Study Guide to Accompany Wests Business** Jentzmiller,Gaylord A.
