Circle of Treason Sandra Grimes, Jeanne Vertefeuille, 2012-12-15 Circle of Treason details the authors personal involvement in the hunt for and eventual identification of a Soviet mole in the CIA during the 1980s and 1990s The search for the presumed traitor was necessitated by the loss of almost all of the CIA s large stable of Soviet intelligence officers working for the United States against their homeland Aldrich Ames a long time acquaintance and co worker of the authors in the Soviet East European Division and Counterintelligence Center of CIA turned out to be that mole In April 1985 Ames walked in to the Soviet Embassy in Washington D C and volunteered to the KGB working for the Soviet Union for nine years until his arrest by the FBI in February 1994 Ames was arguably one of the most destructive traitors in American history and is most well known for providing information which led to the death of at least 11 Soviet intelligence officers who spied for the West The authors participated in the majority of these cases and the book provides detailed accounts of the operational contact with the agents as well as other similar important cases with which the authors also had personal involvement The stories of the brave men who were executed or imprisoned by the Soviet Union include GRU General Dmitriy Fedorovich Polyakov KGB Colonel Leonid Georgiyevich Poleshchuk KGB Colonel Vladimir Mikhaylovich Piguzov GRU technical officer Nikolay Chernov GRU Lieutenant Colonel Boris Nikolayevich Yuzhin KGB scientific and technical officer Vladimir Ippolitovich Vetrov GRU Colonel Vladimir Mikhaylovich Vasilyev GRU officer Gennadiy Aleksandrovich Smetanin KGB illegals support officer Gennadiy Grigoryevich Varenik KGB scientific and technical officer Valeriy Fedorovich Martynov KGB political intelligence officer Sergey Mikhaylovich Motorin KGB officer Sergey Vorontsov and Soviet scientist Adolf Grigoryevich Tolkachev Other operations include KGB technical officer Viktor Ivanovich Sheymov GRU Colonel Sergey Ivanovich Bokhan and KGB Colonel Aleksey Isidorovich Kulak Of particular note in the preceding list of agents compromised by Aldrich Ames is GRU General Dmitriy Fedorovich Polyakov the highest ranking spy ever run by the U S government against the Soviet Union during the Cold War Described as the Crown Jewel he provided the U S with a treasure trove of information during his 20 plus year history of cooperation The book also covers the aftermath of Aldrich Ames arrest the Congressional wrath on CIA for not identifying him sooner FBI CIA debriefings of Ames following his plea bargain a retrospective of Ames the person and Ames the spy and a comparison of Ames and FBI special agent and Soviet spy Robert Hanssen arrested in February 2001 and sentenced to life in prison for spying for the Soviet Union against the U S for over 20 years Although not personally involved in the Hanssen investigation the two authors were peripherally involved in what became after many false starts the Hanssen case

The Economist ,1917 Uncharted Waters Norman Fishler, 2022-08-01 The purpose of this book is to give

Christa-centered believers an objective look at how a community of believers has the ability to not just survive in the rough and tumble times that a post-financial collapse world will inevitably lapse into but actually thrive. Christa-centered leadership is the key. Honoring God the Father and His Son Yeshua in all aspects is something that the author strove to hear God's leading on from start to finish. Over the last twenty years many books, articles, and movies have been written and filmed about the postapocalyptic world, both fiction and non-fiction, how to centering on what to do and how to do it. Most if not nearly all have focused on a few major topics with perhaps another one or two side issues. In this book the author has endeavored to cover as many facets as possible that will come into play as given to him by God's Spirit. Financial collapse, firearms self-defense, breakdown of law and order, cannibalism, barter, invasion by the UN, the setting up of a retreat, basic survival skills, and medical care by amateurs have all been covered in other works and usually quite well. But as they say on TV, wait there's more, much, much more. Also woven into this work are torture, suicide, homosexuality, and the subsequent deliverance from it, along with the very real probability of Islamic terrorism. Then we get to, for the most part, the forgotten wild cards: a command structure for the leadership, unparalleled cataclysmic geological upheaval, pandemic outbreak, the setting up of a city of refuge for God's people, and without question, the most neglected yet far and away most important deciding factor in all this: the last days move of God. Mix all these factors together and there we will find ourselves in uncharted waters.

A Layman's Guide To C. Jack Trickler, 2010-02. This history of the origins and development of Christian denominations is in layman's language. Readers will not become bogged down in technical or archaic terms. Begin by reading about the Christian groups, denominations that developed in the time between Jesus' crucifixion and the formal origins of the Roman Catholic and Orthodox churches. Learn how the Roman empire came to accept Christianity as its religion, of the cooperation and struggles between the Roman Catholic and Orthodox churches, and how that led to their separation. Read about how the Black Death, the Crusades, the struggles within the Roman Catholic Church led some church leaders such as Martin Luther to attempt to reform the church, and how those attempts led to The Reformation. That opened the door to England, declaring that the Church of England, the Anglican Church, is the true Christian church. John Calvin laid the ground work for what became the Presbyterian and the Reformed churches. Then came the Huguenots and the Walloons and the Puritan Pilgrims who came to America and evolved into such as the Congregationalists. Back in England the Quakers experienced persecution that encouraged them to move to America. John Wesley began what evolved into Methodism. The American Revolution caused American churches of English origin to separate from their English roots and to become such as the Episcopalians and the Methodists. Read about the history of the many denominations that have come into being in The United States. There are the numerous Christian churches: the Unitarians, Spiritualist churches, Mormons, Adventists, Jehovah's Witnesses, Christian Science, Pentecostalism, and many independent non-denominational churches. It is fascinating history and all in layman's language.
