Compassionate Intercultural Care Practices for Coping with Grief James Japheth Sudarshan Harrichand, 2024-03-31 As humans we all express our grief differently Acknowledging this truth Dr James Harrichand examines Old Testament accounts of grief and mourning alongside the experiences of marginalized Guyanese and Vietnamese immigrant communities in Canada He explores both biblical and pastoral theology through an anthropological lens bridging the horizons of Scripture and culture in a hermeneutically and pastorally sensitive manner Dr Harrichand s

focus on prosaic prayers in the Old Testament fills a significant gap in the scholarship but this book is also significant for its immense practicality sensitizing readers to grief's varied expressions and equipping culturally intelligent pastoral caregivers. He presents five compassionate intercultural care practices for coping with grief grounding each in the living hope of the redemptive work of Jesus Christ the one who bore our griefs and carries our sorrows. **Worldviews and Christian Education**

W. Shipton, 2013-08-14 Christ's instruction to his disciples was to witness to others about his plan of salvation. This may be relatively easy when it involves our contemporaries and peers. But when we are working with people from a different cultural background or belief system it can be difficult or seemingly impossible. In *Worldviews and Christian Education* editors W. A. Shipton, E. Coetzee, and R. Takeuchi have brought together works by experts in cross-cultural religious education. The authors and editors have a wealth of personal experience in presenting the gospel to individuals with various worldviews that differ greatly from those held by Christians who take the Bible as authoritative. They focus on the beliefs and issues associated with witnessing to seekers for truth coming from backgrounds as diverse as animism, Buddhism, Confucianism, Hinduism, Islam, Marxism, Taoism, and postmodernism. The emphasis is on educational settings but the sensitivities highlighted and lessons learned are applicable to situations outside this area. Leaders, pastors, teachers, and laypersons will find valuable conceptual models, practical ideas, and bibliographic references presented here. *Worldviews and Christian Education* challenges all readers to be faithful to the biblical worldview and to approach everyone with sensitivity so that like the apostle Paul they may reach some. *God among Sages* Kenneth Richard Samples, 2017-01-31 Was Jesus just a spiritual leader like Buddha, Krishna, Confucius, and Muhammad? Or is he something more, something else entirely? In *God among Sages* apologist Ken Samples offers readers a biblical and historical portrait of Jesus grounded in the claims Jesus makes about himself. Then Samples compares and contrasts Jesus with Buddha, Krishna, Confucius, and Muhammad using eight relevant categories of evaluation. He also helps readers understand the competing philosophies of religious pluralism, inclusivism, and exclusivism. The result is a clearer understanding of what sets Jesus apart as not simply a teacher to follow but God himself, worthy of our full allegiance and worship. Christians who struggle to answer claims that Jesus was just a good teacher as well as those who haven't quite made up their minds about Jesus's claims to divinity will value this accessible introduction to comparative religions. **A Study Guide for Rabindranath Tagore's "The Post Office"** Gale, Cengage Learning, 2016
