

WW II Main Causes

- Rise of dictators in Europe (Hitler, Mussolini, & Stalin) due to World War I Treaty of Versailles & economic depression. Rise of totalitarianism.
- Aggressive Actions
 - German expansion into Austria, Czechoslovakia & finally Poland (1939)
 - Japan starts expansion into Manchuria & China (1937)

America pre-War

- Isolationism: The US wanted to remain neutral at the start of World War II.
- 1938 - Munich Conference: Leaders of Britain, France, and Italy meet & give in to Hitler's demands for the Sudetenland (Czechoslovakia) - Appeasement.
- 1939 - Neutrality Act (1939) (cash & carry)
- 1940 - Lend-Lease Act favors Allies.
- 1941 - The Atlantic Charter: set goals for the post-war world & inspired many of the international agreements that shaped the world after.

Should the United States enter the war?

Isolationist Viewpoint

- ✓ The U.S. should avoid alliances with other nations.
- ✓ The U.S. should focus on issues at home such as the economic depression.
- ✓ Complete neutrality was the way to keep the U.S. safe.
- ✓ Intervention in a world war would be a mistake just like World War I.

Internationalist Viewpoint

- ✓ The U.S. should work with other nations to ensure collective security.
- ✓ Axis aggressions were wrong and threatened American interests.
- ✓ The U.S. should aid its allies who are fighting for Democracy and freedom.
- ✓ The U.S. should prepare for war and put pressure on the Axis powers.

Japan's attack of Pearl Harbor draws the U.S into war
