

World Hunger Solution: Global Goal Called 'Zero Hunger'

Did you know that poor nutrition causes nearly 50% of deaths in children who are just born to live in this world but not more than five year? It sounds awful because they are not able to have a chance grow up and see more things on earth because they did not get the opportunity to do it. The fact that poor nutrition plays a role that cause people death because humans need nutrition to maintain their body weight and organ's health.

Based on statistics about hunger issues, about 795 million of people in the world are suffering from insufficient food intake daily because they do not have sufficient money to buy resources to cook foods for themselves. We need to know that the fact that they face the highest rate of unemployment because company nowadays look down on them as they think they do not have the ability to work for them. They will only be able to work low level jobs such as building, throwing rubbish that earn lesser income. Thus, low income that cause the reduction of food intake on them leads to an increasing rate of undernourishment among them. This is undeniable because they may not as lucky as us that have chance to eat three meals a day that fulfill nutrition in it because they tend to skip their meals or craving just a bowl of porridge for a meal per day. They need to save their money constantly in order to have more ability to support their whole family.

Other than that, there are plenty of solutions to able to help them out from this tragedy. People can start to spread some videos about this issue through social media that can make a huge effect to the society because it may bring a certain issue to become a worldwide trend because people nowadays like to scroll social media every single
