AUTHOR OF ANOTHER LOUSY DAY IN PARADISE AND DEATH, TAXES, AND LEAKY WADERS

STANDING IN A RIVER WAVING A STICK

"If Mark Twain were alive and a modern-day fly-fisherman, he still would be hard put to top John Gierach."

— Sports Illustrated

Standing In A River Waving A Stick English Edition

Quinn Grover

Standing In A River Waving A Stick English Edition:

Standing in a River Waving a Stick John Gierach, 2010-05-11 Brilliant witty perceptive essays about fly fishing the natural world and life in general by the acknowledged master of fishing writers With his inimitable combination of wit and wisdom John Gierach once again celebrates the fly fishing life in *Standing in a River Waving a Stick* and notes its benefits as a sport philosophical pursuit even therapy The solution to any problem work love money whatever is to go fishing and the worse the problem the longer the trip should be After all fly fishing does teach important life lessons says Gierach about solitude patience perspective humor and the sublime coffee break Recounting both memorable fishing spots and memorable fish Gierach discusses what makes a good fly pattern the ethics of writing about undiscovered trout waters the dread of getting skunked and the camaraderie of fellow fishermen who can end almost any conversation with Well it s sort of like fishing isn t it Reflecting on a lifetime of lessons learned at the end of a fly rod Gierach concludes The one inscription you don t want carved on your tombstone is The Poor Son of a Bitch Didn t Fish Enough Fortunately for Gierach fans this is not likely to happen

The Local Angler Fly Fishing Austin & Central Texas Aaron Reed, 2020-05-01 It may be a best kept secret but central Texas has some of the best fly fishing in America With Texas native and fly fishing expert Aaron Reed as your guide enjoy dozens of wades and paddles all within easy reach of Austin Discover secluded spring creeks braced by soaring limestone cliffs Wade in broad pools dotted with lily pads and stands of water willow Fish in neighborhood ponds and float deep slow rivers Easy to follow narrative detailed maps and gorgeous color photographs make it easy to Go fishing now even if you have only a few hours to spare There s something for every angler in central Texas Visit the nation s southernmost trout fishery in the Canyon Lake tailwaters Find seven species in a single day including the native Guadalupe bass and the Rio Grande cichlid Fly Fishing Austin and Central Texas is your passport to the challenges and rewards of angling in this unique and beautiful region A look inside Directions to more than 80 legal access points Detailed on the water wade and paddle route descriptions Full color maps showing stream access points More than 200 full color photographs Tips for reading central Texas streams Dozens of local angler friendly hangouts Successful local fly patterns and how to tie them Local and natural history Comanches conquistadors jaguars and at least one dinosaur Descriptions of common aquatic and riparian plants Comprehensive Texas river law primer Tips for taking kids fishing Advice for selecting rods reels and line for local conditions and species Local fly shops and guide services How to catch a riffle loving Guadalupe bass The mysterious story of Round Rock s Hairy Man Where to find and how to catch trophy rainbow trout And much much more Aaron Reed

Where the Trout Are All as Long as Your Leg John Gierach, 2012-03-13 Brilliant witty perceptive essays about fly fishing the natural world and life in general by the acknowledged master of fishing writers Fly fishing s finest scribe John Gierach takes us from a nameless stream on a nameless ranch in Montana to a secret pool off a secret creek where he caught a catfish as a five year old to a brook full of rattlesnakes and a private pond where the trout are all as long as your leg As

Gierach says The secret places are the soul of fishing Hearing about a new one never fails to entice us And so Where the Trout Are All as Long as Your Leg transports the reader to the best of these places where the fish are always bigger and the hatches last forever After all it s these magical places that Gierach so vividly evokes that remind us how precious and precarious are the unspoiled havens of the natural world *Wilderness of Hope* Quinn Grover,2019-09-01 Longtime fly fisherman Quinn Grover had contemplated the why of his fishing identity before more recently becoming focused on the how of it He realized he was a dedicated fly fisherman in large part because public lands and public waterways in the West made it possible In *Wilderness of Hope* Grover recounts his fly fishing experiences with a strong evocation of place connecting those experiences to the ongoing national debate over public lands Because so much of America s public lands are in the Intermountain West this is where arguments about the use and limits of those lands rage the loudest And those loudest in the debate often become caricatures rural ranchers who hate the government West Coast elites who don t know the West outside Vail Colorado and energy and mining companies who extract from once protected areas These caricatures obscure the complexity of those who use public lands and what those lands mean to a wider population Although for Grover fishing is often an escape back to wildness it is also a way to find a home in nature and recalibrate his interactions with other parts of his life as a father son husband and citizen Grover sees fly fishing on public waterways as a vehicle for interacting with nature that allows humans to inhabit nature rather than destroy or preserve it by keeping it entirely separate from human contact These essays reflect on personal fishing experiences with a strong evocation of place and an attempt to understand humans relationship with water and public land in the American West Purchase the audio edition *A Fly Rod of Your Own* John Gierach,2017-04-04 After five decades twenty books and countless columns John Gierach is still a master Forbes and his newest book only confirms this assessment along with his recent induction into the Flyfishing Hall of Fame In *A Fly Rod of Your Own* Gierach brings his ever sharp sense of humor and keen eye for observation to the fishing life and for that matter life in general Known for his witty trenchant observations about fly fishing Gierach s deceptively laconic prose masks an accomplished storyteller his alert and slightly off kilter observations place him in the general neighborhood of Mark Twain and James Thurber Publishers Weekly *A Fly Rod of Your Own* transports readers to streams and rivers from Maine to Montana and as always Gierach s fishing trips become the inspiration for his pointed observations on everything from the psychology of fishing Fishing is still an oddly passive aggressive business that depends on the prey being the aggressor why even the most veteran fisherman will muff his cast whenever he s being filmed or photographed the inevitable accumulation of more gear than one could ever need Nature abhors an empty pocket So does the tackle industry or the qualities shared by the best guides the generosity of a teacher the craftiness of a psychiatrist and the enthusiasm of a cheerleader with a kind of Vulcan detachment As Gierach likes to say fly fishing is a continuous process that you learn to love for its own sake Those who fish already get it and those who don t couldn t care less so don t waste your breath on someone who doesn t fish *A Fly*

Rod of Your Own is an ode to those who fish that brings a skeptical wry voice to the peril and promise of twenty first century fishing Booklist **No Shortage of Good Days** John Gierach,2012-04-24 A collection of fly fishing essays reflect the author's visits to regions ranging from the Smokies to the Canadian Maritimes where he explored such interests as fishing etiquette mosquitoes and the charms of third rate streams **Dumb Luck and the Kindness of Strangers** John Gierach,2021-06-08 Witty shrewd and always a joy to read John Gierach America's best fishing writer Houston Chronicle and favorite streamside philosopher has earned the following of legions of readers who may not even fish but are drawn to his musings on community culture the natural world and the seasons of life Kirkus Reviews After five decades twenty books and countless columns John Gierach is still a master Forbes Now in his latest original collection Gierach shows us why fly fishing is the perfect antidote to everything that is wrong with the world Gierach's deceptively laconic prose masks an accomplished storyteller His alert and slightly off kilter observations place him in the general neighborhood of Mark Twain and James Thurber Publishers Weekly In **Dumb Luck and the Kindness of Strangers** Gierach looks back to the long ago day when he bought his first resident fishing license in Colorado where the fishing season never ends and just knew he was in the right place And he succinctly sums up part of the appeal of his sport when he writes that it is an acquired taste that reintroduces the chaos of uncertainty back into our well regulated lives Lifelong fisherman though he is Gierach can write with self deprecating humor about his own fishing misadventures confessing that despite all his experience he is still capable of blowing a strike by a fish in the usual amateur way Arguably the best fishing writer working The Wall Street Journal Gierach offers witty trenchant observations not just about fly fishing itself but also about how one's love of fly fishing shapes the world that we choose to make for ourselves

View From Rat Lake John Gierach,1989-05-15 Brilliant witty perceptive essays about fly fishing the natural world and life in general by the acknowledged master of fishing writers In the world of fishing there are magic phrases that are guaranteed to summon the demon Among them are remote trout lake fish up to 13 pounds the place the guides fish on their days off writes John Gierach in this wonderful collection of thirteen essays inspired by a fishing trip to Rat Lake a remote body of water in Montana Once again John Gierach does what he does best explain the peculiarities of the fishing life in a way that will amuse novices and seasoned fly fishers alike The View from Rat Lake deftly examines man in nature and nature in man the pleasures of fishing the high country and the high and low comedy that occasionally overcomes even the best planned fishing trip Some typically sage observations from The View from Rat Lake One of the things we truly fish for is an occasion for self congratulation In every catch and release fisherman's past there is an old black frying pan We believe that a 12 inch trout caught on a dry fly is four inches longer than a 12 inch trout caught on a nymph or streamer **Casting Forward** Steve Ramirez,2020-11-01 In Casting Forward naturalist educator and writer Steve Ramirez takes the reader on a yearlong journey fly fishing all of the major rivers of the Texas Hill Country This is a story of the resilience of nature and the best of human nature It is the story of a living breathing place where the footprints of dinosaurs conquistadors and

Comanches have mingled just beneath the clear spring fed waters This book is an impassioned plea for the survival of this landscape and its biodiversity and for a new ethic in how we treat fish nature and each other **Fool's Paradise** John Gierach,2008-05-06 Brilliant witty perceptive essays about fly fishing the natural world and life in general by the acknowledged master of fishing writers If John Gierach is living in a fool s paradise then it s a paradise that his regular readers will recognize and new fans will delight in discovering Laced with the inimitable blend of wit and wisdom that have made him fly fishing s foremost scribe Fool s Paradise chronicles the fishing life in all its glory catching your biggest fish ever and squalor being stranded in a tent during a soaking rainstorm In Gierach s world both experiences are valuable and perhaps inevitable Fishermen everywhere will understand Gierach s quest to discover and explore new waters and then not to divulge the best locations to anyone the unlikely appeal of winter fly fishing or his dismay at encroaching development You never get to point at a meadow full of browsing mule deer and say You know all this was once condos Braving trips on small prop planes and down Oh My God roads Gierach and his fishing buddies pursue bull trout in British Columbia steelhead in the Rocky Mountains and pike so fierce that a wise fisherman wears Kevlar gloves for the obligatory trophy photo Equal parts fishing lore philosophy and great fish stories Fool s Paradise may not be a perfect substitute for actually being out on the water but it s surely the next best thing **Even Brook Trout Get The Blues** John Gierach,2010-05-11 Brilliant witty perceptive essays about fly fishing the natural world and life in general by the acknowledged master of fishing writers Once an angler has become serious about the sport and serious is the word that s used he ll never again have enough tackle or enough time to use it And his nonangling friends and family may never again entirely recognize him either In other words he or she will have entered Gierach territory And fishermen who choose to brave the crowds at the big hold commune with the buddies at the family pool or even wade into questionable waters in the dark of night are sure to recognize themselves in Even Brook Trout Get the Blues Whether debating bamboo versus graphite rods describing the pleasure of fishing in pocket waters or during a spring snow in the mountains or recounting a trip in pursuit of the fascinatingly ugly longnose gar Gierach understands that fly fishing is more than a sport It s a way of life in which patience is mostly rewarded the rhythms of the natural world are appreciated and the search for the perfect rod or ideal stream is never ending It is not a life without risks for as Gierach warns This perspective on things can change you irreparably If it comes to you early enough in life it can save you from ever becoming what they call normal Even Brook Trout Get the Blues will convince you that normal is greatly overrated *The IngramSpark Guide to Independent Publishing, Revised Edition* Brendan Clark,2018-05-01 Self publishing can be daunting if you don t know where to start That s where IngramSpark comes in providing you with the easiest way to self publish your book with affordable high quality book production and distribution to thousands of retailers worldwide For those who have a manuscript ready but no idea how to get it out into the world this newly updated edition of The IngramSpark Guide walks you through the book production process from start to finish from editing designing printing and
