Neece, 2018-01-01 What's Christian about Star Trek Nothing That's the way most people see it and that certainly seems to be the way the franchise is intended There s no question that the Trek universe is based on a doggedly humanistic worldview and is set in a future time when religion has essentially vanished from Earth If that s the case how can there even be a Gospel According to Star Trek In The Gospel According to Star Trek you ll discover how the continuing voyages of Kirk and company aboard the Enterprise from the Original Series to Star Trek Beyond tell us more about our human guest for God than you ever imagined You ll learn how Star Trek creator Gene Roddenberry s own spiritual quest informed the franchise what he and the series really have to say about God and religion and the amazing image of Christ contained in Star Trek's most popular character You ll also see how Star Trek can help us recover a deeper more fully human gospel that embraces our humanity instead of denigrating it and echoes the call of both Spock and Christ Live long and prosper John 10 10 Star Trek Robert Greenberger, 2012-11-08 This is the first book to combine an authoritative history of the Star Trek franchise including all six television series and eleven feature films with anecdotes about the show from those who helped shape it from the outside in the fans Star Trek expert Robert Greenberger covers everything from show creator Gene Roddenberry's initial plans for a series combining science fiction and Western elements the premiere of the original series in 1966 its cancellation the franchise's return in an animated series and its subsequent history on television and film up to expectations for the 2013 J.J.
