Nowlan,1991-01-01 The 1980s had more than its share of both emerging stars and final tributes paid to luminaries as well as smash hits and bombs memorable and boring performances and new trends and tried and true formula offerings The Film of

the Eighties includes numerous examples of all of these Each entry has the year of release production company country of origin U S U K Australian Canadian leading performers and the characters they portrayed and comprehensive credits A brief description review and evaluation of the film's cinematic values if any are also provided The Old West in Fact and Film Jeremy Agnew, 2012-11-15 For many years movie audiences have carried on a love affair with the American West believing Westerns are escapist entertainment of the best kind harkening back to the days of the frontier This work compares the reality of the Old West to its portrayal in movies taking an historical approach to its consideration of the cowboys Indians gunmen lawmen and others who populated the Old West in real life and on the silver screen Starting with the Westerns of the early 1900s it follows the evolution in look style and content as the films matured from short vignettes of good versus bad into modern plots Americans in the Treasure House Jason Ruiz, 2014-01-06 This book examines travel to Mexico during the Porfiriato the long dictatorship of Porfirio Diaz 1876 1911 focusing especially on the role of travelers in shaping ideas of Mexico as a logical place for Americans to extend their economic and cultural influence in the hemisphere Overland travel between the United States and Mexico became instantly faster smoother and cheaper when workers connected the two countries rail lines in 1884 creating intense curiosity in the United States about Mexico its people and its opportunities for business and pleasure As a result so many Americans began to travel south of the border during the Porfiriato that observers from both sides of the border began to guip that the visiting hordes of tourists and business speculators constituted a foreign invasion a phrase laced with irony given that it appeared at the height of public debate in the United States about the nation s imperial future These travelers created a rich and varied record of their journeys constructing Mexico as a nation at the cusp of modernity but requiring foreign intervention to reach its full potential *Carleton Watkins* Tyler Green, 2020-10-20 A fascinating and indispensable book Christopher Knight Los Angeles Times Best Books of 2018 The Guardian Gold Medal for Contribution to Publishing 2018 California Book Awards Carleton Watkins 1829 1916 is widely considered the greatest American photographer of the nineteenth century and arguably the most influential artist of his era He is best known for his pictures of Yosemite Valley and the nearby Mariposa Grove of giant sequoias Watkins made his first trip to Yosemite Valley and Mariposa Grove in 1861 just as the Civil War was beginning His photographs of Yosemite were exhibited in New York for the first time in 1862 as news of the Union s disastrous defeat at Fredericksburg was landing in newspapers and while the Matthew Brady Studio s horrific photographs of Antietam were on view Watkins s work tied the West to Northern cultural traditions and played a key role in pledging the once wavering West to Union Motivated by Watkins's pictures Congress would pass legislation signed by Abraham Lincoln that preserved Yosemite as the prototypical national park the first such act of landscape preservation in the world Carleton Watkins Making the West American includes the first history of the birth of the national park concept since pioneering environmental historian Hans Huth's landmark 1948 Yosemite The Story of an Idea Watkins's photographs helped shape America's idea of the West and helped make the West a full participant in the

nation His pictures of California Oregon and Nevada as well as modern day Washington Utah and Arizona not only introduced entire landscapes to America but were important to the development of American business finance agriculture government policy and science Watkins's clients customers and friends were a veritable who s who of America's Gilded Age and his connections with notable figures such as Collis P Huntington John and Jessie Benton Fr mont Eadweard Muybridge Frederick Billings John Muir Albert Bierstadt and Asa Gray reveal how the Gilded Age helped make today s America Drawing on recent scholarship and fresh archival discoveries Tyler Green reveals how an artist didn t just reflect his time but acted as an agent of influence This telling of Watkins's story will fascinate anyone interested in American history the West and how art and artists impacted the development of American ideas industry landscape conservation and politics Book Collector .1974 **Starr Series: Starr Fated & Starr Destined** G E Griffin, 2015 Wyatt Dave Henderson Cousin to Wyatt Earp Book 1 Wyatt Dave Henderson, 2022-10-14 Yahoo Gather round for a collection of stories from my youth in a world long gone You will come along with me and my family in exciting tales of survival in Indian Territory now known as Oklahoma I know that you the sophisticated readin public may not believe that many of these adventures actually happened but they did I know because they happened to me Although I ll be honest the modern and acceptably civilized man that I am now barely believes a word of it that it isn t possible to live through these adventures and to tell the stories But I did And they are all true So here it is My first book of stories about incredible human strength farmin fires tornados famous outlaws and wildlife including a fair bit about snakes And all of this told through the eyes of a young and mischievous me growing up in the same rough area where famous outlaws like Belle Starr and the James Gang roamed It sure was exciting Shoot fire So put down your phones and turn off your TV You won t need them for a few hours because you are holding in your very hands a time machine A time machine that will take you to a wild and rowdy somewhat less than a modern civilized life while introducing you to my young Hairy Wyatt Dave Henderson farmin self and my whole farmin family So come sit a spell We are Performance Cultures as Epistemic Cultures, Volume II Torsten Jost, Erika all inside waiting for you Fischer-Lichte, Milos Kosic, Astrid Schenka, 2023-04-07 This volume investigates performance cultures as rich and dynamic environments of knowledge practice through which distinctive epistemologies are continuously regenerated cultivated and celebrated Epistemologies are dynamic formations of rules tools and procedures not only for understanding but also for doing knowledges This volume deals in particular with epistemological challenges posed by practices and processes of interweaving performance cultures These challenges arise in artistic and academic contexts because of hierarchies between epistemologies European colonialism worked determinedly violently and often with devastating effects on instituting and sustaining a hegemony of modern Euro American rules of knowing in many parts of the world Therefore Interweaving Epistemologies critically interrogates the im possibilities of interweaving epistemologies in artistic and academic contexts today Writing from diverse geographical locations and knowledge cultures the book s contributors philosophers and political

scientists as well as practitioners and scholars of theater performance and dance investigate prevailing forms of epistemic ignorance and violence They introduce key concepts and theories that enable critique of unequal power relations between epistemologies Moreover contributions explore historical cases of interweaving epistemologies and examine innovative present day methods of working across and through epistemological divides in nonhegemonic sustainable creative and critical ways Ideal for practitioners students and researchers of theater performance and dance Interweaving Epistemologies emphasizes the urgent need to acknowledge study and promote epistemological plurality and diversity in practices of performance making as well as in scholarship on theater and performance around the globe today Childhood in the Long American 19th Century Lucia Hodgson, Allison Giffen, 2025-02-28 This edited collection contends that the figure of the child is foundational to the workings of biopolitical power yet remains undertheorized The study of nineteenth century biopolitics offers a theoretical framework that promises to increase our understanding of how modern democracies manage their subjects Recent scholarship has invigorated interrogations into forms of state governance that operate at the level of population a biological phenomenon defined as a group of individuals linked by racialized fictions of biological commonality This collection seeks to recognize and position critical childhood studies as essential to these interrogations The essays theorize the role of representations of children and childhood as tools of biopolitical governance in America in the long nineteenth century They variously explore how the interrelated and overlapping qualities integral to our understandings of the child and childhood are readily deployed by biopolitical power The collection is organized into three sections that illustrate how these qualities enable the sorting of human beings into populations targeted for reform exploitation and disposal The Introduction and Chapter Six of this book are freely available as a downloadable Open Access PDF at http www taylorfrancis com under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license
