Varghese, Anjana Mangalagiri, A. Mathew, 2023-05-12 This book calls for an equitable and qualitative access to education for all. It proposes paradigms of educational governance that are based on coalition building between key stakeholders, are grounded in local and cultural contexts sensitive to the language needs of communities. It underlines the significance of gender sensitive and inclusive approaches that ensure equity for marginalized children and minorities. Based on research based studies, the volume focuses on equity, quality and learning covering a broad spectrum from school to higher to adult education. It discusses the multiple learner deprivations amongst the marginalized communities and the severe impact of events such as pandemics that exacerbate learner inequities and the recent developments in India under the National Education Policy 2020. It also presents research based country experiences in the Asian, Indian, Bangladeshi, Chinese and African, Ghana, South Africa contexts showing how external influences on the changing priorities in policy perspectives cut across developing countries. Compiled in honour of Professor R. Govinda, this volume of insightful articles will be of interest to students and researchers of educational policy and studies, sociology of education, equity and human rights. It will also be useful for decision makers and think tanks. Bulletin Institution of Engineers (India), 1962. Includes membership lists, summaries of papers published in the journal, institution news etc.
