Nagam Aiya,1906      *TRAVANCORE STATE MANUAL* by V Nagam Aiya VED from VICTORIA INSTITUTIONS, TRAVANCORE STATE MANUAL was written in the closing years of the 1800s It is a fascinating book in that the perspective of historical events that took place in the region known as the Indian Peninsula is markedly different from what is being taught in current day schools and colleges There is need to bring this book out in a very readable form That is what has been attempted here VED from VICTORIA INSTITUTIONS has written a commentary which aims to elucidate the various differences in perspective and also tries to focus on varying issues which are nowadays hidden away from public knowledge What ultimately comes out as background of unvarying strength is the fact that the English rule especially that by the English EAST INDIA COMPANY was really of benign qualities towards the common man of this area This book contains the story of an independent kingdom at the southern most end of the South Asian Peninsula which lost its independence in 1947 in the wake of a fool coming to power in England      *Golden Manual* Henry Davenport Northrop,1891      The Speaker's Manual of Perfect Elocution Flora N.
