The Question Book Asa Hollister Craig, 1878 **The Question Book. A General Review of Common School Studies. To be Used in Schools in Connection with Text Books. Invaluable to Teachers as a Means of Giving a Normal Training** Asa Hollister Craig, 2024-05-04 Reprint of the original first published in 1881 **The Question Book** Asa Craig, 2023-03-13 Reprint of the original first published in 1872 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost *Faith Declaration* Dr. Ken Ezimoha, 2021-07-29 If you want to speak more of God's Word in your life you need this book Jesus teaches that our declarations made in faith will produce results and we will have what we say or declare As you declare more of God's Word you will grow in faith and in every other area of life Dr Ken Ezimoha a medical doctor and pastor walks you through how to manifest God's Word in this practical manual that will lead you closer to the Lord He answers questions such as What is a faith declaration What declarations can you use for healing and health What declarations can you use against death The author also reveals declarations for spiritual growth walking in love prosperity strength peace blessings and even declarations for good dreams and visions When you are intentional about applying the transforming power of God's Word to your life you will see tremendous results Find out the good news and grow on your journey with Christ with My Book of Faith Declaration *Alain Badiou and the Book of Revelation* Bruce Worthington, 2024-05-29 Using many key philosophical concepts based on the work of Alain Badiou this book outlines the relationship between an event and the emergence of a truth which serves as a helpful organizing principle from which to study the origins of Christianity Alain Badiou and the Book of Revelation argues that despite what postmodern philosophy says truths still appear and their immanent character can be known in the world through a militant subject one who is willing to declare the consequences of an event that has happened The second half of the book applies Badiou's theory of the event to the book of Revelation a book that draws out radical even terrifying consequences from an event the victory of the Lamb particularly in the logic of a new world and a political body that is to come Based on several new insights following the completion of Badiou's *The Immanence of Truths* the book is a full length treatment of Badiou's philosophy to the study of Christian origins and the book of Revelation *The Anatomy of Book of Mormon Theology, Volume Two* Joseph M. Spencer, 2021-11-16 Few scholars of the Book of Mormon have read this volume of scripture as closely and rigorously as Joseph M Spencer And of those none have devoted as much time and effort as he to a theological reading of that sacred text that is as Spencer writes how it might shape responsible thinking about questions pertaining to the life of religious commitment p 1 173 *The Anatomy of Book of Mormon Theology* divides into two volumes exploring and thinking about these pertinent questions Whereas the first volume principally contains essays that deal with relatively traditional theological questions and concerns the essays in this volume ask about what new worlds might be discovered in doing theological work

on the Book of Mormon focusing on what Spencer calls microscopic and macroscopic theological readings of the text Essays in the first set examine no more than a verse of the Book of Mormon more often just a single phrase or two to see what theological implications lie within the details of the text The second set of essays ask questions about the shape and intentions of the whole of the Book of Mormon as this can be discerned through the ways it deploys biblical texts and especially the writings of Isaiah A third set of essays follows the two on microscopic and macroscopic styles of theology and are invitations to blur the boundaries that separate different styles of Book of Mormon scholarship These final essays call on Book of Mormon scholars to move closer to theology and calls on theologians to move closer to the Book of Mormon
