West and the East the North and the South tribal and mass society ancient and postmodern civilization and so on Comparing parallel societies from across Asia the Middle East Europe and North America this book proposes fundamental transitions in sociological research from system to process and from communication to composition through intensive studies on examinations It uses ethnographies interviews questionnaires documents statistics and big data analyses to make comparisons on broad scales of time and space In so doing it suggests hypotheses encompassing different kinds of societies in human history including those in the Axial Age and the Modern Ages Lessons for the Social Studies Classroom M. Lazarus, S. Cohen, K. Lambert, R. E, 2013-03-12 The idea for this book came while I was observing a student teacher and a master teacher I realized that most student teachers while in training do not have the opportunity to think creatively about their lessons I also noticed that teachers new to the field of teaching suffer the same fate they are too busy trying to survive the day and are not sure how to plan and organize their teaching Lesson plans are one of the most important tools for a teacher and more important for the novice teacher I believe that during student teaching or during their undergraduate years if students were equipped with this book their first year teaching will not look so first year Imagine an undergraduate class filled with soon to be Social Studies teachers discussing these selected lesson plans improving upon them and making them their own Most first year teachers over teach or under teach and both types still miss the marks on the standardized test These lesson plans will give the new teacher a place to begin AP World History Deborah Vess, Lynn Elizabeth Marlowe, 2009-10 Are You Serious About Scoring a 5 Then Get REA's AP World History Test Prep with TestWare CD The 1 Choice for Serious Students REA's AP World History test prep gives you everything you need to score a 5 on the exam Written by an award winning history professor this second edition of our popular AP test prep is completely up to date and aligned with the official AP exam The book contains in depth reviews of all the topics covered on the AP World History exam including The Ancient Near East The Middle Ages Early Modern Europe Asia World War I II The Cold War and more Review questions and a list of key terms all AP World History students must know are included in each chapter so you can study smarter and score a 5 The test prep features two full length practice exams with detailed explanations of all answers a custom study schedule and test taking strategies The practice tests are composed of every type of question that can be expected on the actual AP World History exam so you can practice for real and target your strengths and weaknesses before the test The book's practice tests are included on CD in a timed format with automatic instant scoring Our interactive TestWare CD offers detailed on screen answers diagnostic feedback plus an extended time function for students with disabilities After building your World History knowledge follow up with REA's proven test taking strategies test tips and a study schedule that gets you ready for exam day If you're serious about getting a 5 on your exam then you need REA's AP World History test prep REA has helped more than a million students succeed on their AP exams Teachers across the country consider our AP titles to be invaluable resources and consistently recommend our books to their students
