A Primer for Teaching World History Antoinette Burton, 2012 This book offers principles to consider when creating a world history syllabus it prompts a teacher rather than aiming for full world coverage to pick an interpretive focus and thread it through the course It will be used by university faculty graduate students and high school teachers who are teaching world history for the first time or want to rethink their approach to teaching the subject CLEP Official Study Guide College Entrance Examination Board, 2006-08 A guide to preparing for the thirty four different kinds of college CLEP exams that includes information on deciding which exams to take interpreting the scores taking the tests and other related topics **Teaching History with Big Ideas** S. G. Grant, Jill M. Gradwell, 2010-07-16 In the case studies that make up the bulk of this book middle and high school history teachers describe the decisions and plans and the problems and possibilities

they encountered as they ratcheted up their instruction through the use of big ideas Framing a teaching unit around a question such as Why don t we know anything about Africa offers both teacher and students opportunities to explore historical actors ideas and events in ways both rich and engaging Such an approach exemplifies the construct of ambitious teaching whereby teachers demonstrate their ability to marry their deep knowledge of subject matter students and the school context in ways that fundamentally challenge the claim that history is boring
