Television Variety Shows David M. Inman, 2014-12-03 For the few hundred television viewers in 1946 a special treat on the broadcast schedule was the variety show called Hour Glass It was the first TV program to go beyond talking heads cooking demonstrations and sporting events featuring instead dancers comics singers and long commercials for its sponsor Chase and Sanborn coffee Within two years another variety show Texaco Star Theatre became the first true television hit and

would be credited with the sales of thousands of television sets The variety show formula was a staple of television in its first 30 years in part because it lent itself to a medium where everything had to be live and preferably inside a studio Most of the early television stars including Jackie Gleason Milton Berle Sid Caesar Ed Sullivan Red Skelton Dinah Shore and Arthur Godfrey rose to prominence through weekly variety shows In the 1960s major stars such as Jerry Lewis Dean Martin Judy Garland and Danny Kaye were hosting variety shows By the 1970s the format was giving way to sitcoms and dramas but pop music stars Sonny and Cher Tony Orlando and Dawn and Donny and Marie Osmond hosted some of the last of the species This book details 57 variety shows from the 1940s through the 1990s A history of each show is first provided followed by a brief look at each episode Air date guest stars sketches performed and a listing of songs featured are included **From Networks to Netflix** Derek Johnson,2022-07-26 Now in a second edition this textbook surveys the channels platforms and programming through which television distribution operates with a diverse selection of contributors providing thorough explorations of global media industries in flux Even as legacy media industries experience significant disruption in the face of streaming and online delivery the power of the television channel persists Far from disappearing television channels have multiplied and adapted to meet the needs of old and new industry players alike Television viewers now navigate complex choices among broadcast cable and streaming services across a host of different devices From Networks to Netflix guides students instructors and scholars through that complex and transformed channel landscape to reveal how these industry changes unfold and why they matter This second edition features new players like Disney HBO Max Crunchyroll Hotstar and more increasing attention to TV services across the world An ideal resource for students and scholars of media criticism media theory and media industries this book continues to offer a concrete tangible way to grasp the foundations of television and television studies even as they continue to be rewritten **Plunkett's Entertainment & Media Industry Almanac 2006: The Only Complete Guide to the Technologies and Companies Changing the Way the World Shares En** Jack W. Plunkett,2006 The electronic age is bringing sweeping changes to entertainment and media of all kinds including publishing broadcasting and film Multimedia the Internet and other digital media outlets for entertainment and information are being refined at a rapid rate Media giants are merging and making big acquisitions This book covers these exciting developments and provides profiles on hundreds of leading firms in film radio television cable new media and publishing of all types including books magazines and newspapers It contains thousands of contacts for business and industry leaders industry associations Internet sites and other resources Youll get in depth profiles of nearly 400 of the world s top Entertainment Media firms our own unique list of companies that are the leaders in this field Here you ll find complete profiles of the hot companies that are making news today the largest most successful corporations in all facets of the Entertainment and Media Business from broadcasters to film production companies casino operators to theme park companies publishers of books and magazines to video game designers and much more Our corporate profiles include
