Writing Alice S. Horning, Elizabeth W. Kraemer, 2013-09-06 Reconnecting Reading and Writing explores the ways in which reading can and should have a strong role in the teaching of writing in college Reconnecting Reading and Writing draws on broad perspectives from history and international work to show how and why reading should be reunited with writing in college and high school classrooms It presents an overview of relevant research on reading and how it can best be used to support and enhance writing instruction

Doing Time, Writing Lives Patrick W. Berry, 2018-01-24 Winner Coalition for Community Writing Outstanding Book Award 2019 Doing Time Writing Lives offers a much needed analysis of the teaching of college writing in U S prisons a racialized space that despite housing more than 2 million people remains nearly invisible to the general public Through the examination of a college in prison program that promotes the belief that higher education in prison can reduce recidivism and improve life prospects for the incarcerated and their families author Patrick W Berry exposes not only incarcerated students hopes and dreams for their futures but also their anxieties about whether education will help them Combining case studies and interviews with the author s own personal experience of teaching writing in prison this book chronicles the attempts of incarcerated students to write themselves back into a society that has erased their lived histories It challenges polarizing rhetoric often used to describe what literacy can and cannot deliver suggesting more nuanced and ethical ways of understanding literacy and possibility in an age of mass incarceration *Routledge Handbook of Descriptive Rhetorical Studies and World Languages* Weixiao Wei, James Schnell, 2023-05-12 The Routledge Handbook of Descriptive Rhetorical Studies and World Languages offers a useful collection of papers that presents rhetorical analysis of the discursal practice in different cultural settings Covering issues from America to Europe and Asia and topics from politics to media education to science agriculture to literature and so on the handbook describes how language can guide listeners interpretations alter their perceptions and shape their worldviews This book offers a solid foundation for rhetorical studies to become an essential discipline in arts and humanities engendering innovative theory and applications in areas such as linguistics literature history cultural studies political science and sociology This handbook will be crucial for students and researchers in areas such as literature and linguistics communication studies political science and arts and humanities in general This book will also be useful to social science education business law science and engineering departments due to its coverage of rhetoric in a multidisciplinary and multilingual context Chapter 16 of this book is available for free in PDF format as Open Access from the individual product page at www.routledge.com It has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license

Does Religious Education Matter? Mary Shanahan, 2016-07-28 In the current climate and in an age of increasing hostility towards religion and the study of religion religious education is a much debated area Bringing together an interdisciplinary team of contributors from the USA Britain and Ireland and Australia representing a variety of religious perspectives Does Religious Education Matter provocatively demonstrates that it is vital that religious education is presented as it really is a valuable and rich resource that when taught and engaged with appropriately stimulates essential qualities for global and responsible citizenship critical thinking tolerance respect and mutual understanding

Writing Effective Course Assignments Elia Shabani Mligo, 2017-05-11 Non degree and undergraduate students are both inexperienced essay writers who need close guidance to become effective writers One of the puzzles which they encounter at the college and university after reporting for studies is the course assignments offered to them by their lecturers which demand them to be critical thinkers and argumentative essay writers In most colleges and universities lecturers provide to students broad questions to answer in the form of essays either in group or individual assignments How should they turn the broad assignment questions provided to them by their lecturers into specific researchable topics for essays How should they handle literature in order to obtain valuable information to answer the provided question How should they construct an informed and convincing argument using the collected information as evidence This book concerns these and other related questions With its clear illustrations the book is designed to be a self study guide and to offer solutions to many struggling students in colleges and universities At the same time the book can be helpful for lecturers to instruct their students how to write effective course assignments in their respective courses

Fostering Habits of Mind in Today's Students Jennifer Fletcher, Adela Najarro, Hetty Yelland, 2023-07-03 Co published with and Students need more than just academic skills for success in college and career and the lack of an explicit instructional focus on the soft skills critical to postsecondary success poses a challenge for many students who enter college especially the underprepared Based upon a multi campus cross disciplinary collaboration this book presents the resulting set of habits of mind based strategies that demonstrably help not only low income ESL and first generation college students overcome obstacles on the path to degree completion these strategies equally benefit all students They promote life long integrative learning and foster intellectual qualities such as curiosity openness flexibility engagement and persistence that are the key to developing internalized and transferrable competencies that are seldom given direct attention in college classrooms This contributed volume written with full time and adjunct

faculty in mind provides the rationale for this pedagogical approach and presents the sequential instructional cycle that begins by identifying students assets and progressively focusing on specific habits to develop their capacity to transfer their learning to new tasks and situations Faculty from both two year and four year colleges provide examples of how they implement these practices in English math and General Education courses and demonstrate the applicability of these practices across course types and disciplines Chapters address key factors of college success including The link between habits of mind and student retention and achievement Using an assets based approach to teaching and learning Supporting and engaging students Creating inclusive learning communities Building confidence and self efficacy Promoting transfer of learning Teacher networks and cross disciplinary collaboration By foregrounding habits of mind as an instructional lens this book makes a unique contribution to teaching in developmental and general education settings

Teaching Information Literacy and Writing Studies Grace Veach, 2018-09-15 This volume edited by Grace Veach explores leading approaches to foregrounding information literacy in first year college writing courses Chapters describe cross disciplinary efforts underway across higher education as well as innovative approaches of both writing professors and librarians in the classroom This seminal work unpacks the disciplinary implications for information literacy and writing studies as they encounter one another in theory and practice during a time when fact or truth is less important than fitting a predetermined message Topics include reading and writing through the lens of information literacy curriculum design specific writing tasks transfer and assessment

Charitable Writing Richard Hughes Gibson, James Edward Beitler, 2020-12-15 How might we love God and our neighbors through the task of writing This book offers a vision for expressing one s faith through writing and for understanding writing itself as a spiritual practice that cultivates virtue Drawing on authors and artists throughout the church s history we learn how we might embrace writing as an act of discipleship for today

Upsetting Composition Commonplaces Ian Barnard, 2014-07-15 In Upsetting Composition Commonplaces Ian Barnard argues that composition still retains the bulk of instructional practices that were used in the decades before poststructuralist theory discredited them While acknowledging that some of the foundational insights of poststructuralist theory can be difficult to translate to the classroom Barnard upends several especially intransigent tenets that continue to influence the teaching of writing and how students are encouraged to understand writing Using six major principles of writing classrooms and textbooks clarity intent voice ethnography audience and objectivity Barnard looks at the implications of poststructuralist theory for pedagogy While suggesting some evocative poststructuralist pedagogical practices the author focuses on diagnosing the fault lines of composition s refusal of poststructuralism rather than on providing solutions in the form of teaching templates Upsetting Composition Commonplaces addresses the need to more effectively engage in poststructuralist concepts in composition in an accessible and engaging voice that will advance the conversation about relations between the theory and teaching of writing

The Norton Field Guide to Writing with Readings, 5e + the Little Seagull Handbook with Exercises, 3e Richard

Bullock, Maureen Daly Goggin, Francine Weinberg, Michal Brody, 2019-07-25 Conceding Composition Ryan Skinnell, 2016-09-01 First year composition became the most common course in American higher education not because it could fix underprepared student writers but because it has historically served significant institutional interests That is it can be conceded in multiple ways to help institutions solve political promotional and financial problems Conceding Composition is a wide ranging historical examination of composition s evolving institutional value in American higher education over the course of nearly a century Based on extensive archival research conducted at six American universities and using the specific cases of institutional mission regional accreditation and federal funding this study demonstrates that administrators and faculty have introduced reformed maintained threatened or eliminated composition as part of negotiations related to nondisciplinary institutional exigencies Viewing composition from this perspective author Ryan Skinnell raises new questions about why composition exists in the university how it exists and how teachers and scholars might productively reconceive first year composition in light of its institutional functions The book considers the rhetorical political organizational institutional and promotional options conceding composition opened up for institutions of higher education and considers what the first year course and the discipline might look like with composition s transience reimaged not as a barrier but as a consummate institutional value *The Field Guide to Sports Metaphors* Josh Chetwynd, 2016-05-10 A gift worthy playbook of common and unexpected words and idioms that have their roots in sports and games There are many metaphors we can quickly identify from the realm of sports covering all the bases baseball game plan football and par for the course golf But the English language is also peppered with the not so obvious influence of sports and games such as go to guy basketball and dead ringer horse racing Filled with pithy entries on each idiom plus quotes showing how big talkers from President Obama to rapper Ice T use them this quirky little handbook from former minor league ballplayer and award winning journalist Josh Chetwynd is sure to be a conversation starter at tailgates cocktail parties and in the boardroom Keeping a Nature Journal, 3rd Edition Clare Walker Leslie, 2021-05-25 Originally published in 2000 with endorsements from E O Wilson and Jane Goodall Clare Walker Leslie s Keeping a Nature Journal was at the forefront of the nature observation and journaling movement Leslie s approach has long been acclaimed for its accessible style of teaching people to see witness and appreciate the wonders of nature and her classic guide is still used by individuals groups and educators ranging from elementary school teachers to college level instructors The third edition features more of Leslie s step by step drawing techniques a new selection of pages from her own journals which she s kept for 40 years and an expanded range of prompts for observing particular aspects of the natural world in any location With an emphasis on learning to see and observe Leslie shows how drawing nature doesn t require special skills artistic ability or even nature knowledge and it is a tool everyone can use to record observations and experience the benefits of a stronger connection to the natural world **The Norton Field Guide to Writing** Richard H Bullock, 2021-10 The most flexible rhetoric for a first year writing course and every writing student

The Norton Field Guide lets instructors teach the way they want to teach and helps students write in the way that works best for them. In the Sixth Edition, new coauthor Deborah Bertsch shows students how to adapt their writing to new rhetorical situations with three new chapters: Remixes, Explorations, and Reflecting on Your Writing. More inclusive than ever, the new edition features thirty new readings, including seventeen written by students that offer fresh and inspiring sources for writing. New videos and interactive activities in InQuizitive for Writers reveal multiple ways to understand and apply the book's advice and are complemented by new instructor resources that respond to today's teaching challenges.
