proves the last straw she transfers him to work with Dr Sandra Elby the famous researcher Convinced he s been promoted he smugly arrives on the third floor to begin work only to learn that he s being recommended not as a lab assistant but as a test subject Soon the new hormones and pleasure treatments designed to make him more feminine and docile have him forgetting he ever wanted to leave in the first place and what was once the office jerk has become the lab bimbo horny submissive and eager to please any man who walks through the door Funnily enough that s exactly what Dr Elby had in mind when she made him into the horny little slut that he s become Now that the physical changes are complete it s time to put her new pet on display and loan her out for a few dozen test runs Reader Advisory This story is for mature audiences only and features intensely erotic situations femdom humiliation feminization gender swap bimbofication and the use of potent aphrodisiacs multiple partners and rough group sex sexual manipulation submissiveness and dominance All characters are 18 or older Excerpt She s at her most docile immediately after a session Dr Elby went on This was usually when I found it easiest to take measurements and gauge progress At other times she can be a little excitable That is if you d like to examine her now would be a good time A babble of quiet speculation met his words Several of the researchers approached me They were initially dubious but I smiled encouragingly at them happy to show I could be cooperative and managed to stand up straight and expectant Dr Elby usually gave me a little longer to recover after an orgasm but I was supposed to be on especially good behavior They surrounded me obviously enthusiastic about the chance to examine me Curious fingers felt the smoothness of my skin the contour of my side and ran through my thick lush hair I basked quietly in their attention and let them touch me wherever they wanted All the little caresses ten or twelve hands on me at once gave me the hot sort of dirty feeling that my body was public property Notice This title includes themes and passages that have been adapted from Jessica Whitethread s Bimbo Therapy series with full consent of the original author **Gender Swap Clinic** Nauheim Nina (author),1901

Gender Swap Clinic: The Public Experiment (Gender Swap Aphrodisiac Menage and Femdom Humiliation Erotica) Nina Nauheim,2015-10-24 Medical intern Calvin Stowe was making a nuisance of himself getting shunted from one department to the next by his arrogance and disrespect for the women of the Edelman Carter Institute When a particularly crude remark about his female superior s ass proves the last straw she transfers him to work with Dr Sandra Elby the famous researcher Convinced he s been promoted he smugly arrives on the third floor to begin work only to learn that he s being recommended not as a lab assistant but as a test subject Soon the new hormones and pleasure treatments designed to make him more feminine and docile have him forgetting he ever wanted to leave in the first place and what was once the office jerk has become the lab bimbo horny submissive and eager to please any man who walks through the door In the wake of her success Dr Elby s lab is moving to a private facility and she s sent her new bimbo to stay with her friend across town But after weeks having submissiveness and overpowering sexual urges drilled into her the test subject s become dependent on the doctors that transformed her and on the pleasure treatment regimen that satisfied her overcharged sex drive Deprived of them both

the vulnerable test subject soon finds herself helplessly horny and helplessly lost in the big city trying to pretend she doesn't have a body specifically designed to make all the men around her wild with desire And now left to her own devices the full intensity of Dr Elby's revenge becomes obvious to Calvin not to mention every passer by Reader Advisory This story is for mature audiences only and features intensely erotic situations femdom humiliation feminization gender swap bimbofication and the use of potent aphrodisiacs multiple partners and rough group sex sexual manipulation submissiveness and dominance All characters are 18 or older Excerpt My skimpy clothes were clinging to me as I stepped in out of the rain I was shivering just a little bit and it felt good to close the door behind me and feel the warm air of the bar wash over my chilled body even if the mingling smells of liquor and smoke stung my nostrils just a bit My face scrunched up at their unexpected intensity I looked around shyly Immediately I felt out of place and I could see some of the men near the door turning to notice me as I stood hesitating on the threshold Was this a mistake Coming in here now I hadn't been out in public since early in Dr Elby's treatment program not since the changes had taken hold and now I was at the center of so many unfamiliar faces with expressions that made it clear how much I stuck out Some of them were openly appreciative or even a little predatory as they took in my appearance Even in a nightclub filled with men and women trying to look their best my ripe inviting form stood out effortlessly The wet blouse I had been given clung to my breasts and my nipples were poking through the almost sheer cloth as though an advertisement Notice This title includes themes and passages that have been adapted from Jessica
