

MYTH, MASCULINITY & ME

In today's gender revolution we often hear people identifying as "more or less masculine" or "more or less feminine." But do we really know what masculinity is? Is it a concrete and definable category or something that is more ambiguous and mutable?

In this book, the author takes the reader along with him on his personal journey exploring his relationship with and growing understanding of masculinity. Along the way the reader will hear about both healthy and unhealthy, or "toxic," masculinity. The way is perilous and strewn with personal landmines and pathogenic beliefs inherited from culture, family and institutions.

This book utilizes an archetypal and mytho-poetic framework to analyze, experience and form a new relationship to "masculinity" and the innermost self. Through the story of *Peter Pan*, the author analyzes archetypal masculinity from infancy through childhood. Next the author takes the reader through *The Strange Case of Dr. Jekyll and Mr. Hyde* to discuss the major split most men face between their inner reality, exterior persona and the shadow that lurks behind them. Finally, the author takes a bold leap into the story of *Beowulf* to battle the dragons of cultural stereotypes, falsely imposed limitations and dangerous self beliefs that affect the individual, not just as a man, but as a human.

This is one man's story. It is about learning and taking responsibility for the kind of life we ultimately want to lead, as well as the kind of world we want to leave behind to those who follow.

About the Author

David M. Martin has been working in the field of mental health for 30 years. He holds a MA from the Institute of Transpersonal Psychology and a MA in Counseling Psychology from Lewis & Clark College. Currently David has a private practice in Portland, Oregon. Visit his website at www.davidmartintherapy.com.

This book is a personal and professional exploration that is not just another clinical application of theory, but a revelation and admission of being an authentic human in the awkward and beautiful journey called life.

The Myth Of Masculinity

Antony Easthope

The Myth Of Masculinity:

The Myth of Masculinity Joseph H. Pleck, 1981 In this book Joseph Pleck examines and analyzes the full body of research literature on the male role that has appeared since the 1930s and subjects it to a devastating critique He identifies the components of the male sex role paradigm which has been the basis of research for the past forty years and notes numerous instances of blatant misrepresentation of data twisted reinterpretations of disconfirming results misogyny homophobia and class bias He proposes a new theory the sex role strain paradigm offers a reinterpretation of sex role stereotyping and a critique of research by sociobiologists that allegedly demonstrates a biological basis for male aggression *Myth, Masculinity & Me* David M. Martin, MA, 2019-10-14 *Myth Masculinity Me* By David M Martin In today's gender revolution we often hear people identifying as more or less masculine or more or less feminine But do we really know what masculinity is Is it a concrete and definable category or something that is more ambiguous and mutable In this book the author takes the reader along with him on his personal journey exploring his relationship with and growing understanding of masculinity Along the way the reader will hear about both healthy and unhealthy or toxic masculinity The way is perilous and strewn with personal landmines and pathogenic beliefs inherited from culture family and institutions This book utilizes an archetypal and mytho poetic framework to analyze experience and form a new relationship to masculinity and the innermost self Through the story of Peter Pan the author analyzes archetypal masculinity from infancy through childhood Next the author takes the reader through *The Strange Case of Dr Jekyll and Mr Hyde* to discuss the major split most men face between their inner reality exterior persona and the shadow that lurks behind them Finally the author takes a bold leap into the story of Beowulf to battle the dragons of cultural stereotypes falsely imposed limitations and dangerous self beliefs that affect the individual not just as a man but as a human This is one man's story It is about learning and taking responsibility for the kind of life we ultimately want to lead as well as the kind of world we want to leave behind to those who follow **The Cultural Myth of Masculinity** Chris Blazina, 2003-07-30 This volume shows how masculinity is a socially constructed entity with a definition that has evolved over time Masculine icons heroes and methods of male socialization allow for contextual examination of specific time periods which is necessary to understand the concept of Western masculinity The volume presents two masculinities representing the aristocracy and the warrior class notions of how to be a man that have vied for dominance throughout most of Western culture **Racial Myths and Masculinity in African American Literature** Jeffrey B. Leak, 2005 The portrayal of black men in our national literature is controversial complex and often contradictory In *Racial Myths and Masculinity in African American Literature* Jeffrey B Leak identifies some of the long held myths and stereotypes that persist in the work of black writers from the nineteenth century to the present intellectual inferiority criminality sexual prowess homosexual emasculation and cultural deprivation Utilizing Robert B Stepto's call and response theory Leak studies four pairs of novels within the context of certain myths identifying the literary tandems between them and seeking to

discover the source of our culture's psychological preoccupation with black men. Calling upon interdisciplinary fields of study including literary theory, psychoanalysis, gender studies, legal theory, and queer theory, Leak offers groundbreaking analysis of both canonical texts representing the call and response dyad and texts by emerging writers representing the response, including Frederick Douglass and Charles Johnson, Ralph Ellison and Brent Wade, Richard Wright and Ernest J. Gaines, and Toni Morrison and David Bradley. Though Leak does not claim that the response texts are superior to the call texts, he does argue that in some cases the newer work, such as Charles Johnson's *Oxherding Tale*, can address a theme or offer a narrative innovation not found in preceding texts such as *Narrative of the Life of Frederick Douglass*. In these instances, Leak argues, the newer texts constitute not only a response to the call text but a substantial revision. Leak offers the first in-depth criticism of black masculinity in a range of literary texts. In a final chapter, he expands his discussion to the emerging field of black masculinity studies, pointing to future directions for study, including memoir, film, drama, and others. Poised on the brink of exciting new trends in scholarship, *Racial Myths and Masculinity in African American Literature* is a flagship work enhancing the understanding of literary constructions of black masculinity and the larger cultural imperatives to which these writers are reacting.

What a Man's Gotta Do Anthony Easthope, 2013-06-17. What is masculinity? Drawing on psychoanalysis and an understanding of ideology, Easthope shows how the masculine myth forces men to try to be masculine and only masculine, denying their feminine side. In an original contribution to the understanding of gender, he analyzes masculinity as it is represented in a wide range of mass media: films, television, newspapers, pop music, and pop novels. Why are two men in a John Wayne western more concerned with each other than with the women in their lives? Is aggressive male banter a sign that men hate or love each other? Why does a jealous man always have to see his rival? Written in a lively, witty, and accessible style, *What a Man's Gotta Do* is certain to become controversial but essential reading.

An Introduction to Masculinities Jack S. Kahn, 2009-03-30. In the last thirty years, there has been a tremendous growth in the academic inquiry to understand men in their experiences as men. This growth is largely due to growing awareness of the problems that people face in trying to understand what it means to be masculine. This text introduces students to the research theories and basic issues in the field of Men and Masculinities, highlighting debates about the definition, origin, and the crisis in masculinity. The author provides a framework for studying the field of masculinities, incorporating feminist, social constructionist, and interdisciplinary perspectives. Written in an accessible style, *An Introduction to Masculinities* provides personal anecdotes and contemporary examples to make the theoretical concepts relevant to students' lives. The text also introduces students to leading contributors and experts whose work has informed the field. The author gives the reader a context and structure by which they can critically understand and evaluate information about men and masculinities. *An Instructor's Manual* is available at www.wiley.com/go/kahn. Click here for more discussion and debate on the author's website: <http://jackkahn.com>. Masculinity William G. Doty,1993 A redefinition of gender and of masculinity and femininity which may liberate men and women from constrictions imposed by dominant past models The Cultural Myth of Masculinity Chris Blazina,2003-07-30

This volume shows how masculinity is a socially constructed entity with a definition that has evolved over time Masculine icons heroes and methods of male socialization allow for contextual examination of specific time periods which is necessary to understand the concept of Western masculinity The volume presents two masculinities representing the aristocracy and the warrior class notions of how to be a man that have vied for dominance throughout most of Western culture

Challenging Myths of Masculinity Lee F. Monaghan,Michael Atkinson,2014 Drawing on extensive field research conducted in North America and Britain over a twenty year period this book challenges masculine myth making Mindful of a rich sociological tradition that seeks to understand the social world as lived and experienced the authors provide insights that are likely to challenge common perceptions of various groups of men and boys their diverse physical cultures shared ways of being and identities **Challenging Myths of Masculinity** Dr Lee F Monaghan,Dr Michael Atkinson,2014-06-28

Many myths surround male bodies and associated bodywork especially when such bodywork is labelled culturally or socially atypical or problematic Bodybuilding for example has been explained in terms of gender inadequacy and an Adonis complex akin to reverse anorexia while men electing to undergo aesthetic cosmetic surgery are deemed too concerned about their appearance and thus woman like Myths also discredit men and boys who do not engage in appropriate bodywork when this is expected For instance amidst public health concerns surrounding a so called obesity epidemic men and boys who resist physical activity and or attempts to promote a healthy weight are deemed ignorant apathetic and in need of correction

Drawing on extensive field research conducted in North America and Britain over a twenty year period this book challenges such masculine myth making Mindful of a rich sociological tradition that seeks to understand the social world as lived and experienced the authors provide insights that are likely to challenge common perceptions of various groups of men and boys their diverse physical cultures shared ways of being and identities Presenting empirically grounded understandings of diverse bodily practices and discourses including bodybuilding cosmetic surgery dieting and nightclub security Challenging Myths of Masculinity will appeal to scholars of sociology geography and cultural studies with interests in gender embodiment and masculinities *What a Man's Gotta Do* Antony Easthope,1992 Although images of women in the mass media have been widely discussed In recent years there is no equivalent analysis of men Once again masculinity seems to have succeeded in passing itself off as universal and invisible In this book Antony Easthope argues that far from being universal the main tradition of masculinity in the West is both specific and peculiar What is masculinity Drawing up psychoanalysis and an

understanding of ideology Easthope shows how the masculine myth forces men to try to be masculine and only masculine denying their feminine side In an original contribution to the understanding of gender he analyzes masculinity as it is represented in a wide range of mass media films television newspapers pop music and pulp novels Why are two men in a John Wayne western more concerned with each other than with the women in their lives Is aggressive male banter a sign that men hate or love each other Why does a jealous man always have to see his rival Written in lively witty and accessible style this book is certain to become controversial but essential reading for a wide range of courses in popular culture mass media and cultural studies as well as those in film study literature and sociology From back cover **Just Sex?** Nicola

Gavey,2018-10-26 In the award winning Just Sex The Cultural Scaffolding of Rape Nicola Gavey provides an extensive commentary on the existing literature on rape analysing recent research to examine the psychological and cultural conditions of possibility for contemporary sexual violence Just Sex argues that feminist theory on sexual victimization has gone both too far and not far enough It presents the reader with a challenging and original perspective on the issues of rape sex and the body incorporating new material on sexism misogyny and digital culture as well as debates over gendered analyses of sexual violence The second edition has been updated and expanded to be extremely timely and relevant with the most recent high profile rape cases the Stanford rape case and the Belfast rape case being tried in the media and online The rise of the Hollywood Harvey Weinstein scandal and the MeToo movement makes this book incredibly useful and necessary to those who are working within the area of sexual violence This will appeal to academic readers studying psychology sociology and criminology as well as those looking into cultural influences on society It will also be very useful to those working in the professional sector on prevention and with people who have been subjected to sexual violence **The Routledge**

Companion to Masculinity in American Literature and Culture Lydia R. Cooper,2021-12-26 Recently the U S has seen a rise in misogynistic and race based violence perpetrated by men expressing a sense of grievance from incels to alt right activists Grounding sociological historical political and economic analyses of masculinity through the lens of cultural narratives in many forms and expressions The Routledge Companion to Masculinity in American Literature and Culture suggests that how we examine the stories that shape us in turn shapes our understanding of our current reality and gives us language for imagining better futures Masculinity is more than a description of traits associated with particular performances of gender It is more than a study of gender and social power It is an examination of the ways in which gender affects our capacity to engage ethically with each other in complex human societies This volume offers essays from a range of established global experts in American masculinity as well as new and upcoming scholars in order to explore not just what masculinity once meant has come to mean and may mean in the future in the U S it also articulates what is at stake with our conceptions of masculinity **The Maker & the Myth** Louise Qiu,2019 [Manhood in America](#) Michael S. Kimmel,2018

For more than three decades the women s movement and its scholars have exhaustively studied women s complex history

roles and struggles In *Manhood in America A Cultural History* Fourth Edition author Michael Kimmel argues that it is time for men to rediscover their own evolution Drawing on a myriad of sources he demonstrates that American men have been eternally frustrated by their efforts to keep up with constantly changing standards Kimmel contends that men must follow the lead of the women's movement it is only by mining their past for its best qualities and worst excesses that men will free themselves from the constraints of the masculine ideal

Grey Sex Alexandra Kogl, 2024-10-15 Grey sex is saying yes but thinking no It's feeling invisible like you're not even in the room It's wondering afterwards is that really what I wanted or did I just let that happen Many people have sexual experiences that fall into a grey area between assault and normal sex Looking at heterosexuality and everyday domination this book shows that in doing so we are neither simply victims nor failing to assert ourselves We are caught in relations of gendered power that may be hard to name or that may in a world filled with violence not seem worth mentioning Tempting as it is to blame individuals for grey sexual experiences Kogl argues that we can't make sense of the power at work if we remain stuck in self blame or point the finger at perpetrators The personal is still political the most intimate activities are both shaped by and shapers of unjust sexual hierarchies Grey Sex walks us through the shadowy places between good and bad sex With compelling insight into power relations that shape ambiguous sexual experiences and our sense of freedom it is a valuable read for people interested in sexual intimacy and relationships gender based violence and inequality

Myth in the Modern World David Whitt, John Perlich, 2014-05-01 Ubiquitous and enduring myths are an inherent part of culture These 10 essays explore the role of myth in the modern world delving not only into science fiction and fantasy but also into sport terrorist rhetoric and television Contributors contemplate the changing face of the hero in *Breaking Bad* *Justified* and the Japanese film trilogy *20th Century Boys* explore ideology in George R R Martin's *A Song of Fire and Ice* novels and the HBO series *Game of Thrones* Showtime's *The L Word* and *The Day the Earth Stood Still* and examine Al Qaeda's use of myth to justify its violent actions Other essays consider the hero ideal in sport the wolf myth in *Twilight* and the comic persona of Hercules in the Travel Channel series *Man v Food* The power of myth this volume reveals extends beyond ancient stories of gods and heroes to express the hopes fears and reality of everyday life

Challenging Myths of Masculinity Lee F. Monaghan, Michael Atkinson, 2014 Many myths surround male bodies and associated bodywork especially when such bodywork is labelled culturally or socially atypical or problematic Bodybuilding for example has been explained in terms of gender inadequacy and an Adonis complex akin to reverse anorexia while men electing to undergo aesthetic cosmetic surgery are deemed too concerned about their appearance and thus woman like Myths also discredit men and boys who do not engage in appropriate bodywork when this is expected For instance amidst public health concerns surrounding a so called obesity epidemic men and boys who resist physical activity and or attempts to promote a healthy weight are deemed ignorant apathetic and in need of correction Drawing on extensive field research conducted in North America and Britain over a twenty year period this book challenges such masculine myth making Mindful

of a rich sociological tradition that seeks to understand the social world as lived and experienced the authors provide insights that are likely to challenge common perceptions of various groups of men and boys their diverse physical cultures shared ways of being and identities Presenting empirically grounded understandings of diverse bodily practices and discourses including bodybuilding cosmetic surgery dieting and nightclub security Challenging Myths of Masculinity will appeal to scholars of sociology geography and cultural studies with interests in gender embodiment and masculinities **Myth, Manhood, and Curriculum** James P. Burns, 2025-08-12 This book explores the historicized complexities of myths of manhood through a curriculum study that examines the historical emergence of the current propagandization of attacks on manhood in US public life Narratives about manhood and masculinity are often predicated on concepts of violence such as the war on men boys which posits a demasculinization of men that threatens the global white nation In this book Burns connects the current moral panic about manhood to a pattern of ethnonationalist and Christian nationalist ideas that pervade culture and contribute to homophobia attacks on women s reproductive rights restrictions on academic freedom free speech and school curricula and which were grafted onto pre existing fears targeted against communists socialists and dissent A central tenet of the curriculum studies field holds that reactivation of the past can help us to better understand the problems of the present As such this study connects contemporary revanchist hysteria about the need to rehabilitate manhood to similar religious political economic militarist racial gendered and sexualized mythologies of manhood deeply embedded in the history of the US It also speculates on some possibilities for transcending the historicized mythologies of manhood through ethical and aesthetic engagement in the search for truth self cultivation and reparation This interdisciplinary and highly original volume will appeal to scholars faculty and post graduate students in curriculum studies teacher education gender and sexuality studies history and religious studies Feminist Economy Connie Riker, 101-01-01 Are you tired of living in a world where women s contributions are undervalued and overlooked Do you dream of a society where gender equality is not just a buzzword but a reality If so this book is for you In Feminist Economy Capitalism s Alternative for Equality Connie Riker explores how capitalism thrives on maintaining gender disparities and offers a revolutionary vision for a feminist economy that values women s contributions This book is a call to action for anyone who believes in true societal progress and wants to see a world where women are empowered and their needs are met Discover how capitalism profits from gender norms and perpetuates inequality Learn why businesses use women as marketing tools without genuine representation in leadership roles Understand the importance of a feminist economy that prioritizes people over profit Explore the ways in which empowering women threatens the capitalist status quo Gain insights into how a feminist economy can lead to true societal progress Find out why women s contributions are crucial for a more equitable society Learn how to challenge the capitalist framework that leaves women s needs unmet Discover the steps we can take to create a feminist economy that values women s contributions If you want to be part of the movement towards true gender equality and a feminist economy then buy this

book today Join Connie Riker in her mission to disrupt the capitalist agenda and create a world where women s contributions are valued and celebrated
