The Palestinians Background And U S Relations:

The Palestinians Jim Zanotti,2014 This report covers current issues in U S Palestinian relations It also contains an overview of Palestinian society and politics and descriptions of key Palestinian individuals and groups chiefly the Palestine Liberation Organization PLO the Palestinian Authority PA Fatah Hamas and the Palestinian refugee population The Palestinian question is important not only to Palestinians Israelis and their Arab state neighbors but to many countries and non state actors in the region and around the world including the United States for a variety of religious cultural and political reasons

Jordan: Background and U.S. Relations ,2008 This report provides an overview of Jordanian politics and current issues in U S Jordanian relations It provides a brief overview of Jordan s government and economy and of its cooperation in promoting Arab Israeli peace and other U S policy objectives in the Middle East This report will be updated regularly Several issues in U S Jordanian relations are likely to figure in decisions by Congress and the Administration on future aid to and cooperation with Jordan These include the stability of the Jordanian regime the role of Jordan in the Arab Israeli peace process Jordan s role in stabilizing Iraq and U S Jordanian military and intelligence cooperation Although the United States and Jordan have never been linked by a formal treaty they have cooperated on a number of regional and international issues over the years The country s small size and lack of major economic resources have made it dependent on aid from western and friendly Arab sources U S support in particular has helped Jordan deal with serious vulnerabilities both internal and external Jordan s geographic position wedged between Israel Syria Iraq and Saudi Arabia has made it vulnerable to the strategic designs of its more powerful neighbors but has also given Jordan an important role as a buffer between these potential adversaries In 1990 Jordan s unwillingness to join the allied coalition against Iraq disrupted its relations with the United States and the Persian Gulf states however relations improved throughout the 1990s as Jordan played an increasing role in the Arab Israeli peace process and distanced itself from Saddam Hussein s Iraq

[The Palestinians](#) Congressional Research Service,2015-02-10 This report covers current issues in U S Palestinian relations It also contains an overview of Palestinian society and politics and descriptions of key Palestinian individuals and groups chiefly the Palestine Liberation Organization PLO the Palestinian Authority PA Fatah Hamas a U S designated Foreign Terrorist Organization and the Palestinian refugee population The Palestinian question is important not only to Palestinians Israelis and their Arab state neighbors but to many countries and non state actors in the region and around the world including the United States for a variety of religious cultural and political reasons U S policy toward the Palestinians is marked by efforts to establish a Palestinian state through a negotiated two state solution to the Israeli Palestinian conflict to counter Palestinian terrorist groups and to establish norms of democracy accountability and good governance Congress has appropriated assistance to support Palestinian governance and development while trying to prevent the funds from benefitting Palestinians who advocate violence against Israelis Since the signing of the Oslo Accord in 1993 Congress has committed more than 5 billion

in bilateral assistance to the Palestinians over half of it since mid 2007 Among the issues in U S policy toward the Palestinians is how to deal with the political leadership of Palestinian society Although Fatah and Hamas agreed to the June 2014 formation of a consensus PA government appointed by Fatah head and PA President Mahmoud Abbas Hamas retains de facto control over security in the Gaza Strip despite forswearing formal responsibility The United States has sought to bolster Abbas who also chairs the PLO vis vis Hamas though some Members of Congress have manifested concern about Abbas s periodic dealings with Hamas international diplomatic tactics and perhaps increasingly authoritarian domestic leadership Anticipation that Abbas may be approaching the end of his tenure may be fueling political posturing among possible successors and influencing Abbas s own decisions The United States has supported various rounds of Israeli Palestinian negotiations for more than 20 years Another round ended acrimoniously in April 2014 Lack of progress on the peace process with Israel has led Abbas and his colleagues to consider alternative pathways toward a Palestinian state This approach was initially based on the strategy of obtaining more widespread international recognition of Palestinian statehood in the West Bank including East Jerusalem and the Gaza Strip and now may also be encouraging or taking advantage of international legal and economic pressure on Israel to improve the Palestinian negotiating position The PLO has not obtained membership in the United Nations but a November 2012 resolution in the U N General Assembly identified Palestine as a non member state and the U N Educational Scientific and Cultural Organization UNESCO admitted Palestine in late 2011 The Palestinians are primed to accede to the Rome Statute of the International Criminal Court ICC in April 2015 and the ICC could conceivably investigate Israeli Palestinian or other individuals for alleged crimes committed in the West Bank and Gaza Palestinian actions at the ICC or elsewhere could trigger existing legal restrictions on U S aid and greater congressional scrutiny of future aid The Gaza situation also presents a dilemma Humanitarian and economic problems persist especially in the wake of a summer 2014 conflict between Israel and Hamas Israel and Egypt maintain tight control over access to and commerce with Gaza They and other international actors seem reluctant to take direct action toward opening Gaza s borders fully because of legal political and strategic challenges to dealing with Hamas

State of Failure Jonathan Schanzer, 2024-09-04 The biggest obstacle to Palestinian statehood may not be Israel In September 2011 president Mahmoud Abbas stood before the United Nations General Assembly and dramatically announced his intention to achieve recognition of Palestinian statehood The United States roundly opposed the move then but two years later Washington revived dreams for Palestinian statehood through bilateral diplomacy with Israel But are the Palestinians prepared for the next step In *State of Failure* Middle East expert Jonathan Schanzer argues that the reasons behind Palestine's inertia are far more complex than we realize Despite broad international support Palestinian independence is stalling because of internal mismanagement not necessarily because of Israeli intransigence Drawing on exclusive sources the author shows how the PLO under Yasser Arafat was ill prepared for the task of statebuilding Arafat's successor Mahmoud Abbas used President George W Bush's support to catapult himself into the presidency But the aging leader now four years past the end of his elected term has not only failed to implement much needed reforms but huge sums of international aid continue to be squandered and the Palestinian people stand to lose everything as a result Supporters of Palestine and Israel alike will find Schanzer's narrative compelling at this critical juncture in Middle Eastern politics

The Palestinians Background And U S Relations Introduction

In today's digital age, the availability of The Palestinians Background And U S Relations books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Palestinians Background And U S Relations books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Palestinians Background And U S Relations books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Palestinians Background And U S Relations versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Palestinians Background And U S Relations books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Palestinians Background And U S Relations books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Palestinians Background And U S Relations books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and

researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Palestinians Background And U S Relations books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips.
