Page 16

- ▶ Households should be notified immediately if benefits are denied or reduced from the level of the previous year in order to provide adequate time for the family to make appropriate arrangements for payment to prevent the household from accumulating meal charges.
- ▶ A new lower eligibility determination should be implemented only after the family has been notified. For example, in the case of a household that received free benefits the previous year and will now receive reduced price benefits for the new school year; adequate notice should be provided.
