

The Makers of America:

Directions: Select one immigrant group from the period and read the description of their experience:

NATIVISM: Hostility and/or discrimination towards foreign born people.

Directions: Analyze the political cartoons. Source them using the TACOS strategy. Then, record evidence of ideas, symbols, and actions on the chart below to help you answer and support the question:

What caused Nativism in the late 1800s: Religious, Ethnic, or Economic Tension?

T-Time? (When was it published?)

A-Action? (what are they doing?)

Farnham,1895 **In the Beginning** Michael Lienesch,2007-04-23 The current controversy over teaching evolution in the public schools has grabbed front page headlines and topped news broadcasts all across the United States In the Beginning investigates the movement that has ignited debate in state legislatures and at school board meetings Reaching back to the origins of antievolutionism in the 1920s and continuing to the promotion of intelligent design today Michael Lienesch skillfully analyzes one of the most

formidable political movements of the twentieth century Applying extensive original sources and social movement theory Lienesch begins with fundamentalism describing how early twentieth century fundamentalists worked to form a collective identity to develop their own institutions and to turn evolution from an idea into an issue He traces the emerging antievolution movement through the 1920s examining debates over Darwinism that took place on college campuses and in state legislatures throughout the country With fresh insights and analysis Lienesch retells the story of the 1925 Scopes monkey trial and reinterprets its meaning In tracking the movement from that time to today he explores the rise of creation science in the 1960s the alliance with the New Christian Right in the 1980s and the development of the theory of intelligent design in our own time He concludes by speculating on its place in the politics of the twenty first century In the Beginning is essential for understanding the past present and future debates over the teaching of evolution **Notes, questions, and**
