Demo Docs System of instruction replicates the classroom experience by providing more I get it moments outside of class We
ve talked to tons of POA instructors and our editors have even taken the accounting course numerous times to figure out the
following issue in this course that is consistent Students understand or get it right after you do a problem in class but as soon
as they leave class with each passing hour their ability to do the problems again and complete their homework diminishes to
the point of them either having to come to office hours to get help or they just quit and get behind in the course On top of
this you can end up getting behind in the course as well in order to keep everyone on track The Demo Docs system helps to
recreate the I get it moments outside of class keeping both you and the students on track *Financial Accounting* Jamie
