THE FIVE C'S OF FOREIGN LANGUAGE EDUCATION

"Communication, or communicating in languages other than English, is at the heart of second language study, whether the communication takes place face to face, in writing, or across centuries through the reading of literature. Through the study of other languages, students gain a knowledge and understanding of the *cultures* that use that language; in fact, students cannot truly master the language until they have also mastered the cultural contexts in which the language occurs. Learning languages provides *connections* to additional bodies of knowledge that are
