Love and

Christian Ethics Frederick V. Simmons, 2016-12-15 At the heart of Christian ethics is the biblical commandment to love God and to love one's neighbor as oneself But what is the meaning of love Scholars have wrestled with this question since the recording of the Christian gospels and in recent decades teachers and students of Christian ethics have engaged in vigorous debates about appropriate interpretations and implications of this critical norm In Love and Christian Ethics nearly two dozen leading experts analyze and assess the meaning of love from a wide range of perspectives Chapters are organized into three areas influential sources and exponents of Western Christian thought about the ethical significance of love perennial theoretical questions attending that consideration and the implications of Christian love for important social realities Contributors bring a richness of thought and experience to deliver unprecedentedly broad and rigorous analysis of this central tenet of Christian ethics and faith William Werpehowski provides an afterword on future trajectories for this research
