Prevenient Grace J. Alexander Rutherford, 2020-09-20 If a plant grows with shallow roots the storms of a season will wither away and uproot it like a house built on sand a poor foundation will doom its fate But this isn't a book on botany nor on architecture foundations good roots are essential to thought structures as well as material structures In theology a bad foundation will produce results as catastrophic as bad roots or shifting sand How we think about God and His work in the world will profoundly affect how we live and work out our Christian faith This book evolved from the conviction that a prominent theological system rests on a fragile foundation It is written as a small contribution towards refounding our understanding of God's relationship with the world and our salvation on His Word The theology in question is Arminianism the foundation is prevenient grace Deep within Evangelical Arminianism lies the essential doctrine that God has acted in the life of all human beings giving them enabling grace enough to respond or reject His offer of salvation The contention of this book is that this doctrine has no biblical grounds and is rationally unfounded and that Arminianism itself stands or falls on this doctrine

Reformed Resurgence Brad Vermurlen, 2020-11-02 One of the biggest movements in American Christianity especially among younger evangelicals is a groundswell of interest in the Reformed tradition In Reformed Resurgence Brad Vermurlen provides a comprehensive sociological account of this New Calvinist phenomenon and what it entails for the broader evangelical landscape in the United States

Haykin Jared Hood John McClean Carl R Trueman Geoffrey Thomas and Rowland S Ward engage crucial questions of pastoral care confessional integrity historical interpretation and theological fidelity From discussions on the Early Church Fathers and John Calvin to explorations of Abraham Kuyper A W Pink and contemporary issues facing the church today these essays illustrate the rich interplay between historical depth and practical pastoral insight This volume serves as both a tribute and an urgent call reminding readers of the enduring necessity of standing firmly for biblical truth the power of historical theology to inform contemporary challenges and the essential role of the pastor scholar in guiding God's people toward faithfulness in every generation

Sproul, 2017-09-19 Confused angry and hurt after the death of his father a young R C Sproul began his personal search for ultimate truth with these piercing questions Who are you God And why do you do the things you do In Enjoying God readers journey with R C Sproul to discover the attributes of God through the questions many of us have asked Where are you God Can I trust you God and more In this warm personal account Dr Sproul communicates deep truths in a fresh and easy to understand style as he shares his passion to know God and urges the reader to dig deep and seek the God who is alive who is real and who loves each one of us

Questions for Christians John Morreall, 2014-06-17 Questions for Christians The Surprising Truths behind Basic Beliefs asks whether or not Christians today have gotten Jesus message right drawing on the Bible and the history of Christianity for answers From the gender of God to what happens when we die Questions for Christians digs into some of the thorniest points of the Christian faith questions that many people would rather ignore Most Christians today believe in just wars but how do we reconcile this belief with Jesus saying Do not resist an evildoer But if anyone strikes you on the right cheek turn the other also or the pacifism of most early Christians Protestants and Catholics today generally believe that Jesus died on the cross to atone for our sins but most Orthodox Christians don't believe this and neither did most Western churches before 1100 What is the truth Drawing on sources both ancient and modern John Morreall explores these issues while identifying points of controversy Some of the answers are surprising while others provide a more complete understanding of common beliefs

Grace Defined and Defended Kevin DeYoung, 2019-04-17 Christians love to celebrate grace but often talk about it in vague generalities But such an important biblical concept ought to be clearly defined so it can be consistently defended In this book best selling author Kevin DeYoung points modern readers back to an old document originally written to do just that Warmly pastoral and broadly accessible this book introduces readers to the Canons of Dort a 17th century work summarizing the central doctrines of the Christian faith Widely regarded as a key pillar of the Reformed tradition the Canons of Dort stand as a faithful witness to God's grace offering a depth of understanding that the church still needs today In three concise sections covering history theology and practical application DeYoung explores what led to the Canons and why they were needed the five important doctrines that they explain and Dort's place in the Reformed tradition today

spiritual journey a refresher to a relationship I have enjoyed with our Lord for sixty years and a treasure trove of new insights and clarifications that serve to strengthen my faith in God Jack Conlin CPA CGMA retired director of corporate finance the Salvation Army US Southern Territory God Wants a Deeper Relationship with You This book digs deeper into exploring many of the challenges we face in establishing and maintaining a meaningful relationship with God Unfortunately there are many differing viewpoints out there in the Christian community about this which is creating much confusion We hear messages saying God is in control of every single thing We hear we must listen for the voice of God We hear God has a plan for our lives We hear we are to get out of the way and let God handle our problems We hear various ideas of how the Holy Spirit works We hear God s providence will protect us from harm Many people are being drawn to Christian teachings which speak of a mighty God who wants to regularly do big audacious and miraculous things in people s lives Although this sounds enticing how does God really interact with us and our world To dig deeper we must question more Therefore topics are addressed with probing questions and insightful analysis So we ask How important is it for us to find the truth about God If faith is built on false premises how good can that faith be Many topics are addressed and each chapter is full of interesting details This book is also a great resource for Bible classes and sermon material **Reaping the Whirlwind** John R.

Pottenger,2007-07-05 As early as the sixteenth century the liberal democratic state has been forced to confront the question of religion in politics The result has been a tense and uncomfortable balancing act Today in the public square of liberal democracy a number of religious confessions and beliefs compete for attention In the American experience some sense of religious pluralism and relative social harmony has been maintained However for this relationship to prevail a tension must continue to exist one that balances the political and social pursuits of self interest with meeting the objectives of the common good In Reaping the Whirlwind John R Pottenger shows how this process began in the modern world and how societies attempt to manage this ongoing conflict The first part of the book lays the groundwork of his analysis by using examples from history to demonstrate the genesis of political and religious whirlwinds It goes on to explore contemporary case studies such as conflicts between Mormons and Evangelicals in the United States liberation theology in Latin America Islam and the state in Uzbekistan and radical Christian reconstructionism Pottenger believes that the formal institutions of liberal democracy should maintain this turbulence even as religious activism threatens to upset the balance He concludes by advocating religious liberty and recognizing the individual and social need for expression At the same time he maintains that the survival of liberal democracy requires that these religious traditions not dominate the public sphere **For Calvinism/Against**

The Grace of Christ Eric Roessing, 2016-07-29 Martin Luther and other Reformers were instruments in God's hand to recover the gospel in the Holy Scriptures Nevertheless it is an irony that along with the gospel there was still law in the sense of law as rule of life in the teaching of the Reformers On the issue of the law even Luther was not as consistent as was Paul the apostle In The Grace of Christ the saving righteousness of God which justifies the ungodly in Christ and frees us from trusting in our righteousness is given its central place as it is in the gospel of God Rom 1:1ff At the same time the new creation in Christ is also given its rightful due Following the apostles teaching in terms of what Paul means by both justification and new creation in Christ The Grace of Christ like no other book shows that both of these realities exclude any idea of the law of Moses as the rule of life for those in Christ Paul is not an antinomian The new creation in Christ is our rule Gal 6:15-16 Roessing does not base his position on only this one text but rather shows how Paul consistently teaches this truth in many places and ways even though the flesh rejects it And Roessing is not alone in this view he is close to that of Gerhard O. Forde and even closer to that of Wolhart Pannenberg But this issue of the believers rule is just one of the aspects of grace covered in The Grace of Christ For those who want to learn something of the depth of the things freely given us by God The Grace of Christ the law in light of the Gospel sets forth those things so that the spiritually hungry will want to behold the grace of God in Christ as he is set forth in these pages and to return again for more

Humble Calvinism J.A. Medders, 2019-03-01 Understanding Calvinism in our hearts as well as in our heads

Understanding Calvinism in our hearts as well as in our heads Calvinism has an image problem For far too long it has been synonymous with being argumentative arrogant and unloving Somehow the doctrines of grace often haven't made those who believe them actually gracious Self-confessed recovering cranky Calvinist Jeff Medders wonders whether the love of God has been replaced with the love of Calvinism It's one thing having the five points all worked out in your head but have they really penetrated your heart His warm-hearted challenging and surprisingly witty book reveals how a true understanding of the five points fuels a love of Christ and his people that builds others up rather than tearing them down Medders urges readers to be humble and gracious as well as zealous for the truth to the praise and glory of Christ and his church

Digging Deeper Marcus Baker, 2025-07-09 How would you answer the man who told you that if you have not been baptized into the church he belongs to then you are not really a Christian What if he had Bible verses to prove it There is one body and one Spirit just as you were called to the one hope that belongs to your call one Lord one faith one baptism Ephesians 4:4-5 And now why do you wait Rise and be baptized and wash away your sins calling on his name Acts 22:16 This is what Michael Shank argues in

his book *Muscle and a Shovel* He describes the Church of Christ in these words Plain Bible teaching with no human opinions Allowing the Bible to speak where it speaks A people who desire book chapter and verse for every belief and practice potentially prescribed to Anything not found in the Word would be thrown aside as insufficient Sounds convincing right However a proper understanding of Scripture goes beyond the surface level excavation presented in *Muscle and a Shovel* *Digging Deeper* examines Mr Shank s bold assertions in light of God s Word It will equip you to recognize the faulty interpretive methods which lead him to teach contrary to the message of the Bible *Digging Deeper* also serves as an introduction to important theological categories Biblical definitions of key terms are provided and explored revealing the majesty of the true gospel salvation by faith alone while exposing a false works based gospel for its inability to save sinners

Preach the Word , **The Reckless Love of God** Alex Early,2015-08-25 Assurance of God s Personal Love for Us The startling truth about the love of God has lost its potency It is not a passionless theological idea It is a real love that feels and even suffers Whether you grew up in a Christian home and have forgotten this essential truth or you never knew it in the first place we all need to be reminded and assured that God s love is real and personal The Reckless Love of God is about pulling readers in close and asking if they have really considered what it means to say Jesus loves you Nothing changes lives and grows the church faster more effectively and more thoroughly than being captivated by this reality But the love of Jesus is not just a means to another end Receiving the love of Jesus is the end itself Includes end of chapter questions for individual or group use Christ's Prophetic Plans Richard Mayhue,John MacArthur,2012-02-21 General editors and experienced bible scholars John MacArthur and Richard Mayhue help to provide a clear and convincing Biblical explanation for the interpretive approach to Scripture that results in a knowable futuristic view of Christ s millennial reign on earth Christ s Prophetic Plans also helps provide the certain validity of God s promises to future Israel and the crucial differences between Israel as a people and a nation and the New Testament church **Counterfeit Christianity** Roger E. Olson,2015-08-04 Historic heresies didn t die or fade away Each generation boasts its own Even while these counterfeit teachings remain outside the accepted bounds of Christianity modern day versions plague churches So how does a church leader or pastor understand and deal with these age old controversies when they pop up in the congregation In this book Roger Olson describes the curses but also gifts that heresies bring the Church While heresies can occasionally correct a version of orthodoxy they are not simple confusions or misunderstandings about impenetrable mysteries of divine revelation Instead they undermine the faith and are dangerous distortions The author describes major heresies and how the church dealt with them the players and what pastors can do to address these faith issues in order to educate congregations about Jesus God and salvation Also included are questions for individual or group study Also available a Leader guide with DVD in which Adam Hamilton hosts on screen conversations with Roger Olson 9781501806360
