Operator's Manual

Introduction

This machine is intended to be used by residential homeowners or professional, hired operators. It is designed for removing snow from paved surfaces, such as driveways and sidewalks, and other surfaces for traffic on residential or commercial properties. It is not designed for removing materials other than snow, nor is a model with a pivoting scraper designed for clearing off gravel surfaces.

Read this information carefully to learn how to operate and maintain your machine properly and to avoid injury and machine damage. You are responsible for operating the machine properly and safely.

which signals a hazard that may cause serious injury or death if you do not follow the recommended precautions.
