The Complete Guide to Investing in Gold and Precious Metals Alan Northcott,2011 As the U S economy struggles to recover from the worst economic crisis since the Great Depression citizens across the country are searching for alternative investment vehicles Many are finding solace in a precious metal that has been a universal measure of wealth since early civilization gold Investment brokers and novices alike are reaping the benefits that come with diversifying their investments Gold e tm s value is determined by a number of factors including the volume of the metal held by prosperous countries the rarity of the metal as it is refined and current market trends such as inflation and the movement of the investment market In 1910 gold was

worth 20 an ounce a century later in 2010 the value of gold reached nearly 1 120 an ounce This book discusses where the value of these metals first originated and how they have evolved over the course of human history You will learn how practical uses of precious metals have directly affected their value over time and how metals like gold and silver are direct indicators of the current state of the economy Most importantly you will learn to recognize market trends that pinpoint the risk of inflation and the exodus from stock to precious metals that will often occur as a result You will learn how to use mutual funds and futures to diversify your portfolio without spreading yourself too thin With advice from dozens of financial experts and commodities traders you will learn how to maximize your return and minimize your risk If you are looking to diversify your portfolio and protect your investments The Complete Guide to Investing in Gold and Precious Metals is your handbook for making the most from your investment Atlantic Publishing is a small independent publishing company based in Ocala Florida Founded over twenty years ago in the company president's garage Atlantic Publishing has grown to become a renowned resource for non fiction books Today over 450 titles are in print covering subjects such as small business healthy living management finance careers and real estate Atlantic Publishing prides itself on producing award winning high quality manuals that give readers up to date pertinent information real world examples and case studies with expert advice Every book has resources contact information and web sites of the products or companies discussed **The Golden Rule**

Jim Gibbons, 2010-05-03 Everything the independent investor needs to know to effectively invest in gold With today's increasing economic uncertainties a strong investment strategy is to put a portion of your net worth in gold However given investors' overall lack of knowledge about gold as an investment as wealth insurance or as a store of value many are hesitant to enter this arena That's why Jim Gibbons has created The Golden Rule This book answers many questions including How do you purchase gold and in what form Why gold now When should you buy And most importantly from whom Throughout the book Gibbons puts gold in perspective and shows you why it belongs in every investor's portfolio Provides practical gold investment insights from New York Times bestsellers Peter Schiff William Bonner Doug Casey Addison Wiggin and James Turk as well as from leading experts in this field including Congressman Ron Paul Rick Warren Adrian Day and many others Demystifies gold by putting it in the context of twenty first century economic realities Highlights a variety of ways to invest in gold from mining stocks to buying gold coins and bullion With the financial markets more erratic than ever gold appeals to investors looking for a safe haven for their assets With The Golden Rule as your guide you'll quickly learn how to make the best decisions possible with regards to this precious commodity *The Prudent Investor's Guide to Owning Gold* Austin Pryor, 2013-02 This primer will give you everything you need to know rather than everything there is to know about gold and inflation From the birth of money to current gold investment vehicles The Prudent Investor's Guide to Owning Gold is a great guide for those interested in investing in the most famous of precious metals Furthermore it will likely prompt concern with where the dollar is headed as it highlights the current state of inflation and the potential threat of hyperinflation **Making**
