We Are the Nerds Christine Lagorio-Chafkin,2018-10-02 Named a Best Book of 2018 by Fast Company this is a sharply written and brilliantly reported Shelf Awareness look inside Reddit the wildly popular often misunderstood website that has changed the culture of the Internet Reddit hails itself as the front page of the Internet It s the third most visited website in the United States and yet millions of Americans have no idea what it is We Are the Nerds is an engrossing look deep inside

this captivating maddening enterprise whose army of obsessed users have been credited with everything from solving cold case crimes and spurring tens of millions of dollars in charitable donations to seeding alt right fury and landing Donald Trump in the White House *We Are the Nerds* is a gripping start up narrative the story of how Reddit's founders Steve Huffman and Alexis Ohanian rose up from their suburban childhoods to become millionaires and create an icon of the digital age before seeing the site engulfed in controversies and nearly losing control of it for good Based on Christine Lagorio Chafkin's exclusive access to founders Ohanian and Huffman *We Are the Nerds* is also a compelling exploration of the way we all communicate today and how we got here Reddit and its users have become a mirror of the Internet it has dingy corners shiny memes malicious trolls and a sometimes heart melting ability to connect people across cultures oceans and ideological divides

Adaptation Online Lyndsay Michalik Gratch, 2017-09-05 *Adaptation Online* Creating Memes Sweding Movies and other Digital Performances explores how traditional notions of the processes and products of creative adaptation are evolving online Using a performance lens and a shift in terminology from the metaphor of the cultural meme to the framing that adaptation affords Lyndsay Michalik Gratch considers online adaptations in terms of creative process and human agency rather than merely as products This book offers a glossary of strategies for online adaptation that is useful not only for scholars in performance studies but also for scholars of cinema communications and new media studies

The Ambivalent Internet Whitney Phillips, Ryan M. Milner, 2018-03-15 This book explores the weird and mean and in between that characterize everyday expression online from absurdist photoshops to antagonistic Twitter hashtags to deceptive identity play Whitney Phillips and Ryan M Milner focus especially on the ambivalence of this expression the fact that it is too unwieldy too variable across cases to be essentialized as old or new vernacular or institutional generative or destructive Online expression is instead all of the above This ambivalence the authors argue hinges on available digital tools That said there is nothing unexpected or surprising about even the strangest online behavior Ours is a brave new world and there is nothing new under the sun a point necessary to understanding not just that online spaces are rife with oddity mischief and antagonism but why these behaviors matter *The Ambivalent Internet* is essential reading for students and scholars of digital media and related fields across the humanities as well as anyone interested in mediated culture and expression

Years of Rage D. J. Mulloy, 2021-11-30 *Years of Rage* is a revealing and frightening history of the many and varied white supremacist groups that have operated in the United States from the rebirth of the Klan in 1915 through to the rise of the alt right and the presidency of Donald J Trump Historian D J Mulloy explores the motivations and underlying beliefs of these racists their fears of displacement their propaganda their propensity to commit acts of violence and terrorism and their deep and unwavering sense of rage He also considers the important role played by women within the movement as well as white supremacy's deep roots in American society Indeed Mulloy demonstrates that rather than being consigned to the margins of American history at times the 1920s the 1950s the presidency of Trump white supremacy has been remarkably close to the

center Wide ranging yet accessible Years of Rage examines a host of fascinating topics and events including the skillful promotion of the Klan by professional salesmen during the 1920s the vicious campaign of violence directed against the civil rights movement during the 1950s and 1960s the development of a Nazi Klan alliance during the 1970s the centrality of esoteric religious beliefs like Identity Christianity to many white supremacists the bombing of the Murrah Federal Building in Oklahoma City in 1995 and the critical role played by the Internet social media and Donald Trump to the startling resurgence of far right in our own time

Paratexts and Performance in the Novels of Junot Díaz and Sandra Cisneros Ellen McCracken,2016-04-30 Part of a new phase of post 1960s U S Latino literature The Brief Wondrous Life of Oscar Wao by Junot Díaz and Caramelo by Sandra Cisneros both engage in unique networks of paratexts that center on the performance of latinidad Here Ellen McCracken re envisions Gérard Genette's paratexts for the present day arguing that the Internet increases the range authorship and reach of the paratextual portals and that they constitute a key element of the creative process of Latino literary production in 21st century America This smart and useful book examines how both novelists interact with the interplay of populist and hegemonic multiculturalism and allows new points of entry into these novels

Unruly Audience Greg Kelley,2020-09-01 Unruly Audience explores grassroots appropriations of familiar media texts from film television stand up comedy popular music advertising and tourism Case studies probe the complex relationship between folklore and media with particular attention to the dynamics of production and reception Greg Kelley examines how folk interventions challenge institutional media with active often public social engagement Drawing on a diverse range of examples popular music parodies of The Colonel Bogey March jokes about Disney's Snow White and the Seven Dwarfs touristic performance at Jamaica's haunted Rose Hall internet memes about NBC's The Office children's parodies of commercials and jokes about joking Kelley demonstrates how active audiences mobilize folklore to disrupt dominant modes of media discourse With materials both historical and contemporary and compiled from print internet archives and original fieldwork Kelley's audience centered analysis demonstrates that producers of media are not the sole arbiters of meaning With folklore as an important tool unruly audiences refashion mediated expression so that the material becomes more relevant to their own circumstances Unruly Audience foregrounds the fluid interplay between media production and audience reception and between forces of cultural domination and cultural resistance bringing new analytical insights to familiar folk practices This carefully crafted book will speak to students and scholars in folklore popular culture and media studies in multidisciplinary ways

Trump Was a Joke Sophia A McClennen,2023-03-24 Written by a scholar of satire and politics Trump Was a Joke explains why satire is an exceptional foil for absurd political times and why it did a particularly good job of making sense of Trump Covering a range of comedic interventions Trump Was a Joke analyzes why political satire is surprisingly effective at keeping us sane when politics is making us crazy Its goal is to highlight the unique power of political satire to encourage critical thinking foster civic action and further rational debate in moments of political hubris and hysteria

The book has been endorsed by Bassem Youssef who has been referred to as the Jon Stewart of Egypt and Srdja Popovic author of *Blueprint for Revolution* who used satirical activism to bring down Serbian dictator Slobodan Milosevic With a foreword by award winning filmmaker satirist and activist Michael Moore this study will be of interest to readers who follow politics and enjoy political comedy and will appeal to the communications comedy studies media studies political science rhetoric cultural studies and American studies markets
