ultimately the betrayal that ended the friendship      Passion for Mary Gabriel Fortune Charles,2015-11-11 Love means a lot when you don't know much about it a woman once told the author He didn't quite understand her then but as time passed he began to figure out what she meant He has asked many people what the word love means and everyone has had his or her own idea If you meet ten different people and ask about love they will all have different answers None will say the same thing To some love sucks To some it's just a game And to others it's an ordinary word that has no meaning In the author's early teens he understood love to be something pure Later he vowed to have nothing to do with it That is until he met Mary Passion for Mary is about a man who has a different viewpoint about love In fact he doesn't believe it exists He thinks love is imaginary and something you get into by mistake He never witnessed or had love early in life He was charming and rich so he could get any woman he wanted Women came to him claiming love but he gave them something entirely different He became a Casanova treating women like prey and acting like a wild animal Until one day he met an old woman who changed his views She tells him the story of her life that touches him so deeply that he wants to change and he learned what love really means This book changed the author's life and it will change yours too      Passion and Prejudice Sallie Bingham,1991
