Debolt,James S. Baugess,2011-12-12 Comedian Robin Williams said that if you remember the 60s you weren t there This encyclopedia documents the people places movements and culture of that memorable decade for those who lived it and those who came

after Encyclopedia of the Sixties A Decade of Culture and Counterculture surveys the 1960s from January 1960 to December 1969 Nearly 500 entries cover everything from the British television cult classic The Avengers to the Vietnam War and the civil rights movement The two volume work also includes biographies of artists architects authors statesmen military leaders and cinematic stars concentrating on what each individual accomplished during the 1960s with brief postscripts of their lives beyond the period There was much more to the Sixties than flower power and LSD and the entries in this encyclopedia were compiled with an eye to providing a balanced view of the decade Thus unlike works that emphasize only the radical and revolutionary aspects of the period to the exclusion of everything else these volumes include the political and cultural Right taking a more academic than nostalgic approach and helping to fill a gap in the popular understanding of the era **Joss Whedon and Race** Mary Ellen Iatropoulos,2016-11-24 Joss Whedon is known for exploring philosophical questions through socially progressive narratives in his films television shows and comics His work critiques racial stereotypes sometimes repudiating them sometimes reinvesting in them sometimes both at once This collection of new essays explores his representations of racial power dynamics between individuals and institutions and how the Whedonverse constructs race ethnicity and nationality relationships Weekly World News ,2002-05-21 Rooted in the creative success of over 30 years of supermarket tabloid publishing the Weekly World News has been the world s only reliable news source since 1979 The online hub www weeklyworldnews com is a leading entertainment news site **In the Peanut Gallery with Mystery Science Theater 3000** Robert G. Weiner,Shelley E. Barba,2014-01-10 The award winning television series Mystery Science Theater 3000 1988 1999 has been described as the smartest funniest show in America and forever changed the way we watch movies The series featured a human host and a pair of robotic puppets who while being subjected to some of the worst films ever made provided ongoing hilarious and insightful commentary in a style popularly known as riffing These essays represent the first full length scholarly analysis of Mystery Science Theater 3000 MST3K which blossomed from humble beginnings as a Minnesota public access television show into a cultural phenomenon on two major cable networks The book includes interviews with series creator Joel Hodgson and cast members Kevin Murphy and Trace Beaulieu **Focus On: 100 Most Popular Fox Network Shows** Wikipedia contributors, **Focus On: 100 Most Popular Television Series by 20th Century Fox Television** Wikipedia contributors, **The Making of Yesterday's Enterprise** Eric A. Stillwell,2008 Yesterday s Enterprise consistently ranks as one of the all time fan favorite episodes of the Star Trek The Next Generation television series Stillwell chronicles the behind the scenes of this acclaimed episode from its inception to the final product and beyond *TV Guide Film & Video Companion* ,2004 *Windows Vista* David Pogue,2007 Microsoft s Windows Vista is the much anticipated successor to the Windows XP operating system David Pogue offers help for using the system with this manual Star Trek Duncan Barrett,Michèle Barrett,2016-08-05 In a world shrunk by modern transport and communication Star Trek has maintained the values of western maritime exploration through the discovery of strange new worlds in space

Throughout its fifty year history the starry sea has provided a familiar backdrop to an ongoing interrogation of what it means to be human This book charts the developing Star Trek story from the 1960s through to the present day Although the core values and progressive politics of the series earliest episodes have remained at the heart of Star Trek throughout half a century in other ways the story it tells has shifted with the times While The Original Series and The Next Generation showed a faith in science and rationalism and in a benign liberal leadership with Deep Space Nine and Voyager that modern order began to decline as religion mental illness and fragmented identities took hold Now fully revised and updated to include the prequel series Enterprise and the current reboot film series this new second edition of Star Trek The Human Frontier published to coincide with Star Trek s golden jubilee celebrations addresses these issues in a range of cultural contexts and draws together an unusual combination of expertise Written to appeal to both the true Trekker and those who don t know Star Trek from Star Wars the book explores and explains the ideas and ideals behind a remarkable cultural phenomenon

**Being a Girl with The Doctor** Gillian I. Leitch, Sherry Ginn, 2023-12-11 Throughout the long running BBC series Doctor Who the Doctor has rarely been alone traveling with both female and male companions The companion is essential to Doctor Who because he or she is a stand in for the audience providing information about the Doctor s ongoing adventures With the casting of a female actor in the role of the Doctor in 2018 one criticism of the series was finally resolved After the shift in gender identity the role of the Doctor and the companion also shifted or has it The continued focus on romantic relations between the TARDIS occupants has led to complaints from both male and female fans reiterating and reinforcing myriad criticisms about the portrayal of the female companions Essays in this book consider how gender is presented in Doctor Who and how certain female companions have been able to break out of the gendered roles usually assigned to them through the classic and new series
