been approved for release at this time 4 In as gentle and as diplomatic a manner as we may we would like to point out that this confusion is just another example of the many primitive attributes of your planet that prevents its acceptance into the United Federation of Planets at this time in your current calendar But be patient the day will come when your planet will have finally overcome these obstacles and take its place in the intergalactic community of intelligent life forms Live long and prosper

Meet a variety of fascinating new villains, including Dr. Omen, who believes he's created the perfect weapon, a Romulan captain who seeks to destroy an entire species because he fears they will be weapons against Romulans, Roy Moss, who feels he has not received the adulation he deserves, and High Assassin Shil Andrachis, who believes killing is both a gift and a right.
