How Customers Buy...& Why They Don't Martyn R. Lewis,2018-08-15 In business nothing happens until somebody buys something

And most businesses have a very good idea of why a prospective customer should buy their offering but lack critical knowledge about how their customers actually buy and are often blind to why they may not. As a result of extensive research, *How Customers Buy And Why They Don't* offers a formula for understanding any Customer Buying Journey. The book provides the approach to developing a strategy and a sales and marketing approach to successfully navigate and positively impact that buying journey. Whether you are an executive in management, an entrepreneur, an investor, a marketer, or a sales person, reading what Martyn has to say will radically change what you do and how successful you will be as a result. **Show AI--Don't Tell It** Lisa Palmer, 2025-09-30. The secret to AI adoption: Stop explaining the tech, help your organization visualize business success. Stakeholders don't invest in AI because they understand the tech; they invest when its business impact is clear and undeniable. In *Show AI Don't Tell It*, AI executive and business strategist Dr. Lisa Palmer reveals how to use visual storytelling to make AI's value tangible, turning complex ideas into clear business outcomes that drive buy-in, adoption, and scale. Instead of vague theories and hype, this book provides clear frameworks, practical tools, and proven visualization techniques to help leaders secure funding, accelerate implementation, and maximize AI's impact. Applying her Bold AI Leadership Model, Dr. Palmer lays out a structured approach to AI success: Mindset, The four Applied AI Guiding Principles, Business Value, Speed with Rigor, Simplicity, and Human Centricity keep AI initiatives focused, efficient, and impactful. Strategic Priorities: The five AI Success Pillars—Value Creation, Customer Centricity, Collaborative Teams, Cultural Shifts, and Data as a Strategic Asset—ensure AI drives measurable business results. Practical Tools: The Visualization Tool Decision Framework, featuring over 20 strategic visualization tools, helps leaders simplify complexity, overcome resistance, and communicate AI's impact with clarity and confidence. A must-read for executives, business leaders, and AI practitioners, *Show AI Don't Tell It* provides the mindset, strategy, and tools needed to translate AI's potential into tangible value. Whether you're seeking stakeholder buy-in, funding approval, or faster adoption, this book shows you exactly how to use visual storytelling to accelerate business success with AI. **Designing the Human Business** Anthony Mills, 2024-10-30. Invisible Labor Marion Crain, Winifred Poster, Miriam Cherry, 2016-06-28 Demographic and technological trends have yielded new forms of work that are increasingly more precarious globalized and brand centered Some of these shifts have led to a marked decrease in the visibility of work or workers This edited collection examines situations in which technology and employment practices hide labor within the formal paid labor market with implications for workplace activism social policy and law In some cases technological platforms space and temporality hide workers and sometimes obscure their tasks as well In other situations workers may be highly visible indeed the employer may rely upon the workers aesthetics to market the branded product but their aesthetic labor is not seen as work In still other cases the work occurs

within a social interaction and appears as leisure a voluntary or chosen activity rather than as work Alternatively the workers themselves may be conceptualized as consumers rather than as workers Crossing the occupational hierarchy and spectrum from high to low waged work from professional to manual labor and from production to service labor the authors argue for a broader understanding of labor in the contemporary era This book adopts an interdisciplinary approach that integrates perspectives from law sociology and industrial labor relations Provided by publisher
