Can't access Wine Enthusiast's online Buying Guide? Or maybe the wine you're trying to look up isn't among the more than 185,000 reviews located there? (Hey, it happens.) Check our latest vintage chart to get an idea of what to expect. Although our expert reviewers base these ratings and maturity estimates on their vast tasting experience and interviews with local winemakers, we can't guarantee every wine will live up or down to the broad generalizations the ratings on the vintage chart represent—in the world of wine, there are exceptions to every rule. Maturity estimates assume proper storage conditions over the life of the wine; the rule of caveat emptor applies particularly to purchasers of old wines.
