Hacker,Marvin Washington,2018-06-26 At the core of exceptional leadership is the ability to lead self Some level of proficiency can be demonstrated by simply focusing on leading others But to achieve transformational results leading self is essential Cultivating self awareness and developing a life plan are key elements of leading self And really should not leaders demonstrate a level of self mastery before leading others It is time that leaders move to a deeper understanding of themselves as they operate within a world of accelerated change and increasing complexity Although leadership performance is evidenced in outward results decisions and actions the genesis of the leadership performance is an internal endeavor Resiliency and ethical behavior are grounded by having a strong sense of purpose established vision and clear operating values To the degree that the leader is consciously leading self the quality of his or her leadership corresponds Be it for good or evil conscious leadership is powerful This book makes plain the case for enhanced self awareness provides case studies and research support presents the voices of several master leadership coaches and most importantly leads the reader through the life planning process

The Gospel According to Apostle Barack Barbara A. Thompson,2012-07-31 Yes Barack had worked tirelessly on behalf of the American people especially those who elected him in 2008 His followers needed to re elect him to a second term so that he could continue to accomplish the promises he made thus realizing his vision of America as a more perfect political union or heaven here on earth Then as I began to contemplate ways to assist

Barack in his 2012 re election bid something miraculous happened I felt Gods His Spirit beckoning me in my dreams at night Listening cautiously I learned that Jesus walked the earth to create a more civilized society Martin Luther King walked the earth to create a more justified society but Apostle Barack the name he was called in my dreams would walk the earth to create a more equalized society for the middle class and working poor Apostle Barack the next young leader with a new cause had been taken to the mountaintop and allowed to see over the other side He had the answers to unlock the kingdom of heaven here on earth for his followers The answers were repeated over and over in speeches Barack had made from his presidential announcement to his inaugural address Those speeches or his teachings contained the answers to the middle class and working poor people living in a heaven here on earth For when the answers were unlocked and enacted Apostle Baracks vision of America would be realized

political heritage of civic republicanism In this eye opening book Gorski shows why this civil religious tradition is now in peril and with it the American experiment American Covenant traces the history of prophetic republicanism from the Puritan era to today providing insightful portraits of figures ranging from John Winthrop and W E B Du Bois to Jerry Falwell Ronald Reagan and Barack Obama Featuring a new preface by the author this incisive book demonstrates how half a century of culture war has drowned out the quieter voices of the vital center and demonstrates that if we are to rebuild that center we must recover the civil religious tradition on which the republic was founded
