I've been photos of her when she was my age and apart from the slightly different ear-lobe the striking image of each other. Some people say that there was a strong family resemblance between my dad and me. I can't see it myself, not really anyway — although there are certain similarities to her physical build. I still seem to have inherited his big feet. Unluckily for me, it was the first thing my parents noticed when I was born. Personally-wise, I've got a lot of my dad's traits in me. Myre took rather badly to my family (as two people said, and we think quite a bit) — he approached life with a sense of humor, though, I think. I've got more in common with my mum. That's got a whole lot of striking really strong similarity between for me, be it clothes, pictures, or whatever. Basically because all these the same kind of things. As I see, the two also have a thing for the same kind of food. My mum and dad, however, and neither of us are
