

Suggested Project Steps:

PLAN:

1. Read the assignment sheet. Look at the sample.
2. Materials- You get ONE circle of cardboard and ONE continent sheet, so plan first, then use pencil. Scissors & markers come last!! You may use any additional supplies to help you- markers, rulers, glue.
3. Review the requirements on the rubric.
4. Plan out how you will include all of the requirements to complete your globe.
5. Consider how you are going to show the Eastern and Western Hemispheres. Think about how the Prime Meridian will be placed before placing continents. It is suggested that you show the Western Hemisphere on one side and the Eastern Hemisphere on the other side of your globe.

CREATE:

1. **Cover the cardboard like this.** Trace the circle and cut slightly larger so it's big enough. Fold both papers evenly in half for your Equator. Then glue on your cardboard circle.
2. **Pencil in Equator & Major Lines of latitude/longitude** using a ruler. Be sure that your Equator matches up on the front and back! Use a ruler to make sure the lines are straight and appropriately placed. The tropics should be about 1 inch north/south of the Equator and the circles should be about 4 inches north/south of the Equator.
3. Add in the continents. You may draw, cut, trace... whatever works best for you! (Tip- Arrange the continents and check their placement accuracy in relation to the Equator, Prime Meridian, and other latitude lines BEFORE gluing or using markers.) Some continents will fold over to both sides since the Prime Meridian runs through them.
4. **Label** in the names of the lines of latitude, longitude, continents, and oceans.
5. Add a compass rose.
6. Mark your location.
7. Add color last. Go over important features with marker.

EXTEND: (not required)

- Add additional features of (islands, more latitude/longitude, countries, seas.)
- Play the latitude/longitude, country, or continent games on Google Classroom.

Example Project- Be aware that this model is not perfect or complete! It is just meant to give you an idea of what you are working towards creating.
