Teaching, Now? A practical handbook for all history teachers and educators Alex Fairlamb, Rachel Ball, 2023-06-16

What is History Teaching Now is a research informed handbook designed to provide practical guidance for history teachers and educators with differing levels of experience Drawing upon the classroom practice and experience of a range of practitioners the book focuses upon key areas such as curriculum and assessment pedagogy communicating history and resources that support effective teaching and learning This book also provides practical ways to approach teaching topics such as diverse histories the British Empire world history and environmental history Practical strategies are woven within the book alongside questions for reflection and suggestions for further research and reading **When I Fell** Michael

Murphy, 2021-01-05 1 6 seconds That s how long it takes to fall two stories That s how long it takes for life to change When Michael Murphy was 21 he fell off a roof at college and landed flat on his back severing his spine They say that nobody understands their own traumatic injury just after it happens but Michael did Every person falls They fall short in school in life in work and in love Their lives sometimes feel punctuated by those downfalls the rejection letters the unrequited love the missed promotions the life altering traumas Everyone falls But then what When I Fell is a true tale of going from abled to disabled to empowered It combines the story surrounding Michael s recovery with the science of resiliency and thriving what psychologists are now calling Posttraumatic Growth PTG to teach readers how to hit home runs when life throws them curves Befitting new mainstream acceptance for disabilities When I Fell is as much a memoir as it is a message It features the five principles established by Drs Tedeschi and Calhoun the pioneers who coined the phrase in the 1990 s for scientific validation to bring PTG further into the public eye **Doing Global History** Roland Wenzlhuemer, 2019-10-31 The field of Global

History has experienced an unprecedented boom in the last two decades and carved itself deeply into the practice of historical research Despite this its conceptual foundations have rarely been explored This introduction to what Global History is brings together theory and practice with 6 key concepts delivered through 6 accessible case studies Re evaluating the central concerns and key approaches in the field it offers an up to date discussion of the foundations of Global History its guiding questions and principal methods at work Doing Global History offers students valuable insights into the ways general

concepts can be used and applied when doing historical research The 6 concepts connections actors structures space time and transit and their accompanying examples will not only help readers to get a solid grasp of what global history means but will stimulate further engagement in the field Wenzlhuemer successfully shows that global history is best considered as a perspective not a theory or paradigm and guides the reader through ways it can be used in practice to draw new and exciting conclusions Tailored for classroom and student use this book will be invaluable to advanced undergraduates and postgraduates of Global History

Poverty in World History Steven M. Beaudoin, 2006-10-19 A genuinely global survey of world poverty from 1500 to the present day Poverty in World History focuses upon the period from around 1500 onwards when poverty became a global issue and uses the process of globalization as the chief lens through which to study and understand poverty in world history The result is both a tying together of significant strands of world history and an examination of changing attitudes towards poverty and poor relief throughout the world This wide ranging study underscores a major consequence of increased cultural and economic interaction among the world's societies highlighting the similarities and differences in impacts and responses to the resulting smaller globe Topics include innovations in early modern poor relief the causes of trends towards a globalization of poverty after 1500 poor relief since 1945 to the present poverty morality and the state
