

## Plot Summary: The Nine Guardians

The Nine Guardians *The Nine Guardians* takes place in the State of Chiapas, in Mexico, where from the remains of the Mexican revolution came the presidency of Lazaro Cardenas. His presidency takes place between 1934 and 1940, during the time this novel takes place. Cardenas expropriated foreign-held properties, distributed land to peasants, and instituted reforms to benefit indigenous people and Mexican workers. Cardenas found it unfair for the Indians to not be treated as equals, so he demanded rights for Indians. Land holdings were controlled by a ruling elite.

The Indians were encouraged to rise against the landowners and demand their rights. They have the law on their side and they start to realize they don't deserve to be treated as slaves. With the help of others, Cardenas breaks up large estates and forces families off of the lands. The novel is written from the point of view of the author, Rosario Castellanos. However, a seven year old girl is the narrator through most of *The Nine Guardians*. She takes us through the book by introducing the people surrounding her life and her family's life.

The seven year old girl is the daughter of a wealthy landowner, Cesar Arguello. Since the Arguellos are wealthy, the girl is not raised by her parents, but mostly by an Indian servant, she calls Nana. Nana has nurtured and cared for the girl and her little brother, Mario, since birth. Nana is an Indian that lives with this elite, controlling, possessive, landowning family. Despite the fact that she is treated as a slave, Nana loves the Arguellos. Nana becomes a big influence on the little girl, along with her parents, and the retaliation of the landowners and the Indians against one another.

The girl and her brother will become innocent victims mostly because of her father, who will try desperately to hold on to their land for Mario's future. Some of the damage done cannot be fixed and will remain permanent. It is a tragedy of money, power, and male supremacy. The situations that occur will leave a strong impact on how she thinks and feels. From beginning to end, the seven year old girl's perspective of the Indians will change dramatically. In the beginning, the girl is ignorant to the thought of being an Indian. She doesn't want to know their history and how they stand in their society.

She speaks of how young she is and wants no part of what is going on. She loves her Nana but doesn't think she knows what she is talking about. The thought that she could have been an Indian threatens her. She wants to be idle, absent-minded, and not aware of her surroundings. Perhaps, she wishes this for Nana also. The Indians frighten her and she is ignorant of their part in society. In this novel, when bad things happen, some of the characters are superstitious and believe they pay for their mistakes through curses given by the sorcerers, especially the Indians.

*Latin American Women Writers* Kathy S. Leonard, 2007-09-19. There is a wealth of published literature in English by Latin American women writers but such material can be difficult to locate due to the lack of available bibliographic resources. In addition, the various types of published narrative—short stories, novels, novellas, autobiographies and biographies—by Latin American women writers has increased significantly in the last ten to fifteen years. To address the lack of bibliographic resources, Kathy Leonard has compiled *Latin American Women Writers: A Resource Guide to Titles in English*. This reference includes all forms of narrative: short story, autobiography, novel, novel excerpt and others by Latin American women dating from 1898 to 2007. More than 3,000 individual titles are included by more than 500 authors. This includes nearly 200 anthologies, more than 100 autobiographies, biographies or other narrative and almost 250 novels written by more than 100 authors from 16 different countries. For the purposes of this bibliography, authors who were born in Latin America and either continue to live there or have immigrated to the United States are included. Also, titles of pieces are listed as originally written in either Spanish or Portuguese. If the book was originally written in English, a phrase to that effect is included to better reflect the linguistic diversity of narrative currently being published. This volume contains seven indexes: Authors by Country of Origin, Authors' Titles of Work, Titles of Work by Authors, Autobiographies, Biographies and Other Narrative, Anthologies, Novels and Novellas in Alphabetical Order by Author, and Novels and Novellas by Authors' Country of Origin. Reflecting the increase in literary production and the facilitation of materials, this volume contains a comprehensive listing of narrative pieces in English by Latin American women writers not found in any other single volume currently on the market. This work of reference will be of special interest to scholars, students and instructors interested in narrative.

*Pistis Sophia* George Robert Stow Mead, 1896. *Twentieth-Century Spanish American Fiction* Naomi Lindstrom, 2013-12-06. Spanish

American fiction became a world phenomenon in the twentieth century through multilanguage translations of such novels as Gabriel Garcia Marquez's *One Hundred Years of Solitude*, Manuel Puig's *Kiss of the Spider Woman*, Octavio Paz's *Labyrinth of Solitude* and Isabel Allende's *House of the Spirits*. Yet these blockbusters are only a tiny fraction of the total rich outpouring of Spanish language literature from Latin America. In this book Naomi Lindstrom offers English language readers a comprehensive survey of the century's literary production in Latin America excluding Brazil. Discussing movements and trends she places the famous masterworks in historical perspective and highlights authors and works that deserve a wider readership. Her study begins with Rodó's famous essay *Ariel* and ends with Rigoberta Menchú's 1992 achievement of the Nobel Prize. Her selection of works is designed to draw attention whenever possible to works that are available in good English translations. A special feature of the book is its treatment of the postboom period. In this important concluding section Lindstrom discusses documentary narratives, the new interrelations between popular culture and literary writing and underrepresented groups such as youth cultures, slum dwellers, gays and lesbians and ethnic enclaves. Written in accessible, nonspecialized language, *Twentieth Century Spanish American Fiction* will be equally useful for general readers as a broad overview of this vibrant literature and for scholars as a reliable reference work.

**Drawing Spirit** Jay Johnston, Iain Gardner, 2022-12-05 A pioneering interdisciplinary study of the art production and social functions of Late Antique ritual artefacts. Utilising case studies from the Graeco-Egyptian magical papyri and the Heidelberg archive, it establishes new approaches, provides a holistic understanding of the multi-sensory aspects of ritual practice and explores the transmission of knowledge traditions across faiths.

*The Anarii Chronicles II - The Awakening* Alii M. Bek, *Practicing Gnosis* April DeConick, Gregory Shaw, John D. Turner, 2013-08-22 Ritual magic, liturgy and theurgy were central features of Gnosticism and yet Gnostic practices remain understudied. This anthology is meant to fill in this gap and address more fully what the ancient Gnostics were doing. While previously we have studied the Gnostics as intellectuals in pursuit of metaphysical knowledge, the essays in this book attempt to understand the Gnostics as ecstasies striving after religious experience as prophets seeking revelation as mystics questing after the ultimate God as healers attempting to care for the sick and diseased. These essays demonstrate that the Gnostics were not necessarily trendy intellectuals seeking epistemological certainties. They were after religious experiences that relied on practices. The book is organized comparatively in a history of religions approach with sections devoted to Initiatory, Recurrent, Therapeutic, Ecstatic and Philosophic Practices. This book celebrates the brilliant career of Birger A. Pearson.

Lirael, a gifted student of the Academy of Harmonic Arts, stands before her people to perform the sacred Hymn of Echoes, a rite passed down for over three thousand years. But when her voice stirs ancient symbols and forgotten light within the chamber's stone walls, a long dormant force begins to
