The Sense of Mystery: Clarity and Obscurity in the Intellectual Life Fr. Reginald Garrigou-Lagrange, O.P., 2018-05-01 The Sense of Mystery highlights what is clear and what retains the character of mystery in the traditional and Thomistic solution concerning the great problems pertaining to our knowledge in general to our knowledge of God whether naturally or supernaturally attained and to questions pertaining to grace St Thomas has fear neither for logic nor for mystery Indeed logical lucidity leads him to see in nature those mysteries that speak in their own particular ways of the Creator Likewise this same lucidity aids him in putting into strong relief other secrets of a far superior order those of grace and of the intimate life of God which would remain unknown were it not for Divine Revelation
