

A woman in a white dress is shown from the waist down, sitting in a meditative pose on a large, light-colored rock. Her legs are crossed, and her hands are resting on her knees in a mudra. The rock is situated in a body of water, and the background is a clear blue sky. The overall mood is peaceful and serene.

they created by God with an underlying purpose How does a common man a religious person an atheist and a philosopher think about the purpose of life Why do their interpretations about the meaning of life differ so much Certain physical chemical and biological laws govern this universe Thus the existence of human beings on this earth cannot be accidental There must be some purpose behind life coming into existence This book attempts to discuss the various theories and interpretations of the same What is the purpose of human life Did human beings come into existence on this earth as per Darwin s Theory of Evolution or were they created by God with an underlying purpose How does a common man a religious person an atheist and a philosopher think about the purpose of life Why do their interpretations about the meaning of life differ so much Certain physical chemical and biological laws govern this universe Thus the existence of human beings on this earth cannot be accidental There must be some purpose behind life coming into existence This book attempts to discuss the various theories and interpretations of the same *The New Science of Enlightenment* V. J. Fiorella,2021-02-11 The fundamental purpose of the soul is to grow and expand but if we all just keep growing and expanding without direction the universe will continue to explode into greater chaos than it already has Our unifying direction must be our own personal growth We are capable of wielding powerful forces of light and guarding our galaxy against the forces of lower vibrations To grow into this power we must look within ourselves and cultivate love The New Science of Enlightenment focuses on removing all that is in the way of becoming such a being of light and love Using the Kundalini Karma System it offers a modern day approach to building an abundant peaceful and happy existence helping you learn to navigate the world of spirit and matter simultaneously You can attain your goals understand the true meaning behind the events of your life overcome the challenges that come your way and triumph as you take control of your destiny Become an enlightened and powerful being in the modern world and live a truly magical existence as a modern mystic on your road to God This guide explores ways to harness the power of your Kundalini energy to get the life you want allowing you to end the cycle of reincarnation and return to the mind of God Meditation DENNIS HILL,2014-08-07 The author has taught meditation and yoga philosophy for 25 years and has been trained extensively by Buddhist Sufi and Siddha masters in India and the United States Education in the sciences has brought a measure of empiricism to the appreciation of eastern philosophy Thus in this book you will find the practices and orientation to meditation driven by the veracity of the authors own experience Through meditation we begin to get glimpses of the stillness With practice the stillness enters us and we begin to enjoy the spontaneous inner sense of serenity Over time the stillness becomes the foundation of our perception and we look out on the world from our peaceful presence Once we know this as our Self we can be free of the anxiety doubt disappointment and fear just being the watcher This is Deep Peace It might come as a surprise that consciousness the Self is the watcher of the mind In this we can become the impartial witness of mental dramas creating separation between the watcher and the chaos of ego Fortunately the mind begins to like the stillness and the suffering evaporates due to lack of interest In this we become truly
