Prieb, 1997 Only the Sword of the Spirit reconstructs the development of Menno Simon's anabaptist vision and methodically traces its evolution through the entire northern stream of Mennonites in Holland Prussia North Germany Russia and North America It concludes with an appeal for the recovery of a relevant version of Menno Simon's 16th century vision for our own times      **The Anabaptist Story** William R. Estep, 1996 Four hundred seventy years ago the Anabaptist movement was launched with the inauguration of believer's baptism and the formation of the first congregation of the Swiss Brethren in Zurich Switzerland This standard introduction to the history of Anabaptism by noted church historian William R Estep offers a vivid chronicle of the rise and spread of teachings and heritage of this important stream in Christianity This third edition of The Anabaptist Story has been substantially revised and enlarged to take into account the numerous Anabaptist sources that have come to light in the last half century as well as the significant number of monographs and other scholarly works on Anabaptist themes that have recently appeared Estep challenges a

number of assumptions held by contemporary historians and offers fresh insights into the Anabaptist movement      **Secular Nonviolence and the Theo-Drama of Peace** Layton Boyd Friesen, 2022-02-10 What happens when a five century tradition of Christian pacifism no longer needs Jesus to support nonviolence Why does secularity cause this dilemma for Mennonites in their theology of peace Layton Boyd Friesen offers an ancient theology and spirituality of incarnation as the church's response to the non resistance of Christ He explores three key aspects of von Balthasar's Christology to help Mennonite peace theology regain its momentum in the secular age with a contemplative union with Christ This volume argues that the way to regain a Christ formed pacifism within secularity is to contemplate and enter the mystery unveiled in the Chalcedonian Definition of Christ as interpreted by Hans Urs von Balthasar In this mystery the believer is drawn into real time participation in Christ's encounter with the secular world      **The Activist Impulse** Jared S. Burkholder, David Cramer, 2012-04-04 Anabaptists have often felt suspicious of American evangelicalism and in turn evangelicals have found various reasons to dismiss the Anabaptist witness Yet at various points in the past as well as the present evangelicals and Anabaptists have found ample reason for conversation and much to appreciate about each other The Activist Impulse represents the first book length examination of the complex relationship between evangelicalism and Anabaptism in the past thirty years It brings established experts and new voices together in an effort to explore the historical and theological intersection of these two rich traditions Each of the essays provides fresh insight on at least one characteristic that both evangelicals and Anabaptists share an impulse to engage society through the pursuit of active Christian witness

**Marpeck: A Life of Dissent and Conformity** William Klassen, 2008-09-24 During the 16th century's tumultuous years of religious reformation and revolution Pilgram Marpeck consistently but discreetly stood up to the ruling powers calling for freedom of religion and separation of church and state Walter Klaassen and William Klassen editors of The Writings of Pilgram Marpeck have deeply mined Marpeck's writing and dialogue with other Reformation leaders They place his life work and theology in the context of his violent changing times This thorough biography shows how Marpeck perhaps more than any other early Anabaptist figure helped lay the theoretical and practical foundations of the believers church
