A Midnight Queen Novel
SYLVIA HUNTER

The Midnight Queen

Christopher Keene

The Midnight Queen:

The Midnight Queen Sylvia Izzo Hunter, 2014 In the hallowed halls of Oxford's Merlin College the most talented and highest born sons of the Kingdom of Britain are taught the intricacies of magickal theory But what dazzles can also destroy as Gray Marshall is about to discover Gray's deep talent for magick has won him a place at Merlin College But when he accompanies four fellow students on a mysterious midnight errand that ends in disaster and death he is sent away in disgrace and without a trace of his power He must spend the summer under the watchful eye of his domineering professor Appius Callender working in the gardens of Callender's country estate and hoping to recover his abilities And it is there toiling away on a summer afternoon that he meets the professor's daughter Even though she has no talent of her own Sophie Callender longs to be educated in the lore of magick Her father has kept her isolated at the estate and forbidden her interest everyone knows that teaching arcane magickal theory to women is the height of impropriety But against her father's wishes Sophie has studied his ancient volumes on the subject And in the tall stammering yet oddly charming Gray she finally finds someone who encourages her interest and awakens new ideas and feelings Sophie and Gray's meeting touches off a series of events that begins to unravel secrets about each of them And after the king's closest advisor pays the professor a closed door visit they begin to wonder if what Gray witnessed in Oxford might be even more sinister than it seemed They are determined to find out no matter the cost

All who could do so had long ago fled from the devoted city and London lay under the burning heat of the June sunshine stricken for its sins by the hand of God The pest houses were full so were the plague pits where the dead were hurled in cartfuls and no one knew who rose up in health in the morning but that they might be lying stark and dead in a few hours The very churches were forsaken their pastors fled or lying in the plague pits and it was even resolved to convert the great cathedral of St Paul into a vast plague hospital Cries and lamentations echoed from one end of the city to the other and Death and Charles reigned over London together About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged
